RE: Guidelines for Loaned Artwork in Mayor’s Suite

The Public Arts Advisory Commission received a request from Mayor Ali to assist in selecting artwork by Peorians. The artwork that is selected would be loaned by artists and/or local organizations for the Mayor’s suite. It was decided at that time of the Mayor’s request that it was prudent to develop a policy to address all future requests.

The proposed guidelines included in this memorandum are provided to initiate a discussion within the Commission for development of this policy document. The intent of City staff is to provide a public display of artwork while at the same time limiting the cost and liability to the City. At no time does City staff intend to regulate the aesthetic nature of the artwork.

Legal questions may be directed to Masum Perkins, or her successor, at (309) 494-8595 or mperkins@peoriagov.org.
