**Heart of Illinois Homeless Continuum of Care Point-In-Time Count**

On the night of Wednesday, January 22, volunteers from community organizations across the city will conduct a “Point-In-Time” count of all of the people experiencing homelessness in the Peoria area. The Department of Housing and Urban Development (HUD) requires communities across the country to survey homeless individuals in both sheltered (i.e. residing in an emergency shelter or transitional housing) and unsheltered (i.e. living in a place not meant for human habitation, like a park) situations on a single night in January. Individuals are asked about demographic information, like their age, race, and ethnicity, as well as their history of homelessness.

The Point-In-Time, or “PIT,” count helps inform decisions about funding programs that help individuals experiencing homelessness find permanent housing. The City of Peoria receives an Emergency Solutions Grant that helps support programs at Dream Center, Salvation Army, Center for Prevention of Abuse, and Phoenix Community Development Services.

For more information, please contact Cassie Belter at 309.494.8935 or cbelter@peoriagov.org.

The following Fire Fighters will be recognized during the ceremony: Tony Ardis, Fire Chief; James Bachman, Assistant Fire Chief; Shawn Sollberger, Division Chief of Operations; Stephen Rada, Battalion Chief; and Bobby Anderson, Captain.

From: The Office of the City Manager
Presented to: City of Peoria, Mayor and Council Members
Tuesday, January 14, 2020
In December, a total of 689 calls were received from the Peoria Cares phone line. There were 71 phone calls that generated a Peoria Cares case and 396 phone calls that produced service requests. The cases were sent to the appropriate City Department(s). Each department handled the complaint from start to finish. Every call will always receive an optimum level of customer service; during this time period, there were calls that varied in response. In addition, some of the Peoria Cares phone calls required, research and information gathering for other assistance and services offered, in the Greater Peoria Tri-County Communities.
There was a total of 267 Peoria Cares complaints that were submitted in the month of December. These complaints have been drilled down and categorized to indicate their status.
Out of the 267 Peoria Cares complaints, there are 19 unresolved complaints that will be handled in a time sensitive manner, by its respective department(s). Each month, our goal is to follow-up with all departments unresolved complaints, to ensure we can quickly respond to each citizen’s needs.
