University Street Project

PIONEER PARKWAY TO TOWNLINE ROAD

September 11, 2018
Project History

- IDOT’s Economic Development Program Grant 11/16
- US Department of Commerce Grant 9/17
- Public Meeting in December of 2017
- Contract approved by City Council on 8/28/18
- Currently waiting approval from US Dept of Commerce for construction start
University Street

Pioneer Parkway to Townline Road
Stage 1

- Work will be north of the Pioneer Rail tracks
- Widening and storm sewer work on the east side of University
- Traffic will be restricted to NB only
- Work is expected to last 6-8 weeks
Stage 1 Work
Remaining Stages

- Remaining 4 stages done in 2019
  - Active stage closed; north-bound one-way traffic in adjacent lane
  - Two-way traffic in remaining non-active stages

- Stage 2
  - East side of University, and south of the tracks

- Stage 3
  - West side of University, and south of the tracks

- Stage 4
  - East side of University, and north of the tracks

- Stage 5
  - West side of University, and north of the tracks

For example:

Stage 2 construction
- NB lane (2) closed south of RR tracks
- SB lane (3) will flow one-way north
- Two-way traffic north of tracks (4 & 5)
