RE: Addendum No. 1 for Bid Package, Slurry Seal 2019, Peoria, IL

The following shall be considered part of the Contract Documents for the subject project and shall apply to all construction there under:

REVISED BID DOCUMENT (Issued with this Addendum):

1. General Conditions, Page 17, CHANGE completion date:

   Should the Contractor fail to complete the work by October 31, 2019, the Contractor shall be liable to the City of Peoria at a rate of $750.00 per day for every day worked over the contract time to cover all costs incurred for engineering, inspection and other expenses incurred by the City of Peoria by reason of the Contractor’s failure to complete the work within the specified time, and such amount shall be deducted from the monies due the Contractor, not as a penalty, but as damages sustained.

Bidders shall acknowledge receipt of this addendum by inserting its number on Bid Form. Failure to do so may subject Bidder to Disqualification.

This Addendum consists of one (1) plan sheet.

Sincerely,

Bill Lewis, P.E.
City Engineer, City of Peoria
DESCRIPTION OF WORK
This work consists of applying High Quality Aggregate Polymer Modified Slurry Seal on hot-mix asphalt (HMA) or sealcoat streets at locations designated in this document or as directed by the City. Work may also include pavement marking removal, rut filling, prime coat, crack filling, bump removal or other types of construction as needed. The Contractor shall furnish all materials and equipment, and provide all traffic control. It will be the responsibility of the Contractor to sweep the streets before the slurry seal is applied. The swept materials will be hauled to the City property on Darst Street or as directed by the City. Necessary adjustments, incidentals and appurtenant items shall be constructed as directed by the City.

PROJECT LOCATIONS & QUANTITIES
This work will occur within the City limits. The project locations are shown in the High Quality Aggregate Polymer Modified Slurry Seal Locations table on pages 8-9 and on the attached map. The final project locations may be adjusted based on available project funding.

CONTACT INFORMATION
The City’s Project Engineer will be Bill Lewis, P.E., at 309-494-8800.

TIME OF THE ESSENCE
Time is an essential element of the Contract and the City will monitor the Contractor’s progress towards completion. The Contractor shall adequately staff the project so that the entire project can be completed in a timely manner. The Contractor will coordinate with the Seal Coating contractor for all cape seal locations.

FAILURE TO COMPLETE WORK ON TIME
Should the Contractor fail to complete the work by October 31, 2019, the Contractor shall be liable to the City of Peoria at a rate of $750.00 per day for every day worked over the contract time to cover all costs incurred for engineering, inspection and other expenses incurred by the City of Peoria by reason of the Contractor’s failure to complete the work within the specified time, and such amount shall be deducted from the monies due the Contractor, not as a penalty, but as damages sustained.

COORDINATION WITH OTHER CONTRACTORS
Contractors shall coordinate treatment schedules and traffic control in order to minimize the disruption to traffic.

ITEMS NOT COVERED IN THE SCHEDULE OF ITEMS
If it is necessary to use items that are not covered in the schedule of items, or as described in the specifications, the Contractor shall submit documentation to the City to justify the unit price. The Contractor and City shall set the agreed upon unit price and use that unit price for the remainder of the contract and contract extensions.

DEFINITION OF TERMS
Section 101 of the Standard Specifications shall be revised as follows:
