ADDENDUM NO. #2
CITY OF PEORIA
CITY OF PEORIA PUBLIC WORKS OPERATION AND MAINTENANCE REMODEL
RFP
DUE SEPTEMBER 16, 2014 @ 2:00 PM AT PEORIA PUBLIC WORKS

Addendum Issued: August 27, 2014

RE: Addendum #2 for the Public Works Operation and Maintenance Remodel

The following shall be considered part of the Contract documents:

REVISED BID DOCUMENT (Issued with this Addendum):
None

ADDITIONAL INFORMATION (Issued with this Addendum):
The drawings will be placed on Dropbox. Invites will be sent to everyone on the informational meeting sign in sheet. You should be able to invite others to the Dropbox to share the drawings. If you are unable to invite others, send an email to pwdropbox@peoriagov.org with the name, contact information and email for the people who need to be invited to view Dropbox.

The existing utility drawings (plumbing, fire protection, electrical and mechanical) are for informational purposes only. The building has been remodeled several times and the as-built drawings are NOT up-to-date. Bidders must field-verify all of the information provided.

The Dries Lane Public Works drawing shows the areas we anticipate remodeling. The red areas will be remodeled. The blue areas are additional space that we may be able to use if all of the requirements won’t fit into the red space. The green space is additional space that we need to add to the remodel that was not shown on the original documents. This space needs to hold 4 offices.

Q: What is the total square footage of the remodeled space?
A: Approximately 24,500 sf

This addendum must be acknowledged as part of the submittal package. Failure to do so may subject Bidder to Disqualification.

Sincerely,

Jason Meeks, LEED GA
Facilities Manager

3505 N. Dries Lane
Peoria, IL 61604-1210
