THIS AMENDMENT to Project Agreement No. 17-00769.5 is hereby made and agreed upon by the United States of America, acting through the Director of the National Park Service and by the State of ILLINOIS pursuant to the Land and Water Conservation Fund Act of 1965, 78 Stat. 897 (1964).

The State and the United States, in mutual consideration of the promises made herein and in the agreement of which this is an amendment, do promise as follows:

That the above mentioned agreement is amended by adding the following:

Time extension requested for an additional six months (April 30, 2019) on this project to allow for time for the City of Peoria to conduct the required appraisals for replacement land and to determine the appropriate Fair Market Value of the Rocky Glen and Southtown properties.

We believe a six month time extension to April 30, 2019 should provide sufficient time to bring this to resolution. We request the State provide the City and NPS with the contact who will make it a priority to conclude this conversion. We also request the State, on behalf of the City, submit a plan that includes target dates and timeframes for work to be accomplished. Finally, we want the State to schedule calls every other week starting the week of November 12, 2018, to learn about the progress related to resolving this task followed by an e-mail documenting the progress. If we do not feel sufficient progress is being made we will void the amendment and allow the approval from October 31, 2017 to lapse.

In all other respects the agreement of which this is an amendment, and the plans and specifications relevant thereto, shall remain in full force and effect. In witness thereof the parties hereto have executed this amendment as of the date entered below.
