MEDIA RELEASE

WESTERN AVENUE IMPROVEMENT PROJECT – PUBLIC MEETING

PEORIA, Ill. – The City of Peoria will hold the second public meeting for the Western Avenue street improvement project at 6 p.m. on Monday, February 13th at the Lincoln Branch of the Peoria Public Library, 1312 W. Lincoln Avenue. The public is invited to hear an update on planning for Western Avenue, including the public survey results, and to view updated concept drawings.

The project limits along Western Avenue run from Lincoln Avenue to Adams Street. The purpose of the project is to increase safety for all users and positively impact the surrounding natural environment. Street improvements will include on-street parking, pedestrian accommodations, bicycle accommodations, green infrastructure, stormwater drainage and improved lighting.

For more information, contact the City of Peoria Director of Public Works, Scott Reeise, PE (309) 494-8800.
