WESTERN AVENUE IMPROVEMENT PROJECT – PUBLIC MEETING

Date: April 11, 2017

PEORIA, Ill. – The City of Peoria will hold a third public meeting for the Western Avenue Street Improvement project at 6 p.m. on Tuesday, April 18 at the Peoria Public Library Lincoln Branch, 1312 W. Lincoln Avenue. The public is invited to hear an update on planning for Western Avenue based on feedback from the second public meeting.

The project limits along Western Avenue run from Lincoln Avenue to Adams Street. The purpose of the project is to increase safety for all users and positively impact the surrounding natural environment. Street improvements will include on-street parking, pedestrian accommodations, bicycle accommodations, green infrastructure, stormwater drainage, and improved lighting.

For more information, contact the City of Peoria Director of Public Works, Scott Reeise, PE (309) 494-8800.
