Neighborhood Traffic Calming Request
Application
City of Peoria/Traffic Engineering
Neighborhood Traffic Calming Program

Request for Traffic Calming Investigation

A request for Traffic Calming begins by completing a “Neighborhood Traffic Calming Request Application” form. A paper copy of the form is available by visiting the Public Works facility at 3505 N. Dries Lane or by download from the City’s website.

Requests can be made by either a neighborhood or group of residents located on the street requesting the Traffic Calming. A designated contact person will receive all correspondence and be responsible for gathering signatures and other evidence of support. Request forms should be submitted to the Public Works Department at the following address:

City of Peoria
Public Works Department
Traffic Engineering
Traffic Calming Program
3505 N. Dries Lane.
Peoria, IL 61604

Please use this form as a formal request. Each request must contain the completed information as indicated in section A, B and C, below.

A. Street Study Information
   Each request must provide the name of the street on which a study is requested and the boundaries of the street segment. Boundary limits may change at the discretion of the Public Works Department. Traffic studies will be conducted only within the boundaries indicated in the request. Please use cross street names for boundary limits, not block ranges.

C. **Contact Person Information**

Each request must provide a contact person who lives on the requested street, within the study limits. If the request is being submitted from a neighborhood association, please provide the name, address, email and telephone number of the authorized representative of the neighborhood association. The contact person will receive all correspondence and will be responsible for gathering evidence of neighborhood support.
