NORTH UNIVERSITY STREET (PIONEER – TOWNLINE) LANE CLOSURE

July 1, 2019 (Peoria, IL) As part of the City’s North University Street (Pioneer Parkway – Townline Road) Improvement Project, University Street, from Townline Road to Pioneer Parkway, will be closed to southbound traffic beginning Monday July 8th. Only northbound traffic will be allowed through this portion of University Street. Northbound traffic will be shifted to the southbound lane from Pioneer Parkway to Luthy Drive and the northbound lanes from Luthy Drive to Townline Road to allow access to businesses. Please see the attached map for traffic patterns. The east side of the University Street and Altorfer Drive intersection will be closed to all traffic. Access to businesses on the east end of West Altorfer Drive will be from North Sommer Street.

Detour routes will be posted. Please see the attached detour map. Access to local businesses will be maintained at all times.

Motorists are urged to use extreme caution in construction zones.

Please contact the City of Peoria’s Project Engineer Emily Ambroso at (309) 494-8800 if you have questions regarding this Project closure. The City of Peoria Public Works Department appreciates the public’s patience as we make this important roadway improvement.

###
