Committed volunteers play an important role in shaping Peoria’s future. Commission members assist the City Council and City administration in developing policies and services, which reflect the needs and values of the entire Peoria community. As a member of a City board or commission, you serve as a respected community advisor to the City Council and City administration.

While volunteer involvement requires time and effort, it also provides an opportunity for genuine public service. In addition, you gain knowledge about the role of City government and its daily operations.

If you are interested in joining over 400 Peoria citizens currently serving as volunteer board and commission members, please complete a volunteer interest profile which can be found at [www.peoriagov.org/committees-commissions/](http://www.peoriagov.org/committees-commissions/). Any questions can be directed to the Administrative Assistant to the Mayor, Michelle King at mking@peoriagov.org or 309-494-8558.
