   1. #2019-112: Recommendation from the Administration to Approve Peoria Public Library’s Annual Insurance Renewal with LIRA (Libraries of Illinois Risk Agency) in the amount of $97,417

Randall Yelverton reminded Board members that LIRA is the insurance collective managed by Gallagher. The renewal amount is an increase because of catastrophic weather that has occurred. If the renewal amount is larger than needed, the library members will receive money back at the end of the year. We will receive money back this year. Refunds are split among the members according to the claims. This
collaboration provides discounts and buying power. A motion was made by Margaret Cousin, seconded by Pat Barton, that the recommendation to approve Peoria Public Library’s annual insurance renewal with LIRA in the amount of $97,417 be approved as presented. Motion carried by viva voce vote.

**REPORT OF THE EXECUTIVE DIRECTOR**

A. Upcoming Programming and Exhibits
   Randall Yelverton drew Board members’ attention to the monthly programming report in their packet.

B. Holiday Party on December 9
   Randall announced that the party will be held from 2:30 to 4:30 p.m. Jeanne Williamson added that it is a very nice party with wonderful food and Board members are encouraged to attend it.

C. EveryLibrary
   Randall reported that this was an excellent presentation on doing advocacy for libraries and asserting your cause in big and small ways. Board members discussed ways to let patrons know the cost of materials, programs, and services Peoria Public Library provides to them.

D. Illinois Library Association conference
   Randall noted that he and several staff members attended the conference which was held in October in Tinley Park. He said it was a productive time of library learning and learning about innovative library practices and services.

E. Peoria Innovation Hub launch event
   Randall reported that he and Jenni Davis attended the Peoria Innovation Hub launch event and got a chance to hear about the space that is being created in the former ICC campus downtown. He also got a chance to share with others information about the development of a media lab at Main Library.

F. New Digital Services
   Randall reported that we will shortly be offering new digital services to our patrons, including tens of thousands of new digital audio books through the services Recorded Books Digital and Hoopla. We are in the process of setting up the systems with the two companies, but hope to have these services available just in time for the holidays. Hoopla also offers films and eBooks. One of the big advantages of these services is that they offer simultaneous access to the same materials for all patrons. Patrons will not have to wait for another person to be done with a digital item before downloading it themselves.

G. Presentations
   Randall reported that he got the opportunity to share a presentation on the Library and its services to both the Idyllbrook neighborhood association and the South-West Kiwanis Club of Peoria. The presentation included discussion of the many ways the library is making use
of the financial resources we have as well as a discussion of the many digital services we offer.

H. Staffing Updates
Randall reported that Jamie Jones, the current McClure Branch manager, interviewed for and accepted the position of North Branch manager. We have posted the McClure Branch position and are trying to move quickly on getting the position filled in order to cause minimal disruption. He added that he, Roberta, and Jennifer Jacobsen-Wood interviewed candidates for the Reference Assistant opening at North Branch. Jacob Roberts has filled this position. He has a background in children’s services and has been working at Alpha Park and Fondulac libraries.

I. FY2020 Requirements for Illinois Public Library Per Capita Grants
Roberta reported that she and Margaret Cousin viewed a webinar called “Promoting Fairness & Belonging” immediately ahead of tonight’s Board meeting. It took a scientific approach to explain how implicit bias, racial anxiety, and stereotype threat can present challenges in providing services to patrons. Roberta will send the link to all Board members and staff. This completes the last of our requirements for the FY 2020 Illinois Public Library Per Capita grant, other than submitting the application.
