EXPANSION ONTO PRIVATE PROPERTY

- Only expand onto private property with the permission of the property owner.

GENERAL OPERATING REQUIREMENTS

- Area must be cleaned and maintained by the user.
- User must follow all local food safety regulations.
- Smoking is prohibited in outdoor restaurants.
- Follow all State COVID-19 guidance.
- Do not block fire lanes, hydrants, or sprinkler system connections.
- Do not block handicapped parking spaces or create alternative handicapped parking accommodations.
- Avoid creating conflict points between pedestrians and vehicles.
- Create a visual boundary of the outdoor seating area using caution tape, planters, etc.
- Use static non-moving temporary signs to provide direction and instructions to customers (sandwich boards or signs as menus, etc.).
- Do not use signs that move or create the illusion of movement (tear-drop signs, video screens, etc.).
- Establish an accessible route from the public way and the outdoor eating area to the restrooms.
- Tables shared among businesses must have a single point of cleaning responsibility.
- Provide outdoor hand washing / sanitizing stations.
- Establish appropriate spacing in waiting, ordering, and restroom areas.
- Limit animals to approved service animals only.
- Provide adequate outdoor trash and garbage receptacles.
- No cooking, bartending, or buffets outside.
- Tents without sides are permitted per approval by the Peoria Fire Department.
- No structures can be built.
- All general nuisance (excessive noise, light, fumes, etc.) ordinance requirements remain in place.
- Live entertainment is permitted under prior approvals only.
- Establishments with existing liquor licenses may serve alcohol in the temporary expanded area after notifying the Peoria City Clerk at bball@peoriagov.org and tbonds@peoriagov.org.
