Independent Accountant's Report

Board of Directors
Advanced Medical Transport, Inc.
Peoria, Illinois

We have examined the accompanying response time report of Advanced Medical Transport, Inc. for the year ended December 31, 2011. Advanced Medical Transport, Inc.'s management is responsible for the response time report. Our responsibility is to express an opinion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the response time report and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

In our opinion, the report referred to above presents, in all material respects, the response time information for Priority 1 and 2 calls of Advanced Medical Transport, Inc. for the year ended December 31, 2011 based on the guidelines detailed in Note 1.

This report is intended for the information and use of Advanced Medical Transport, Inc. and the City of Peoria and is not intended to be and should not be used by anyone other than these specified parties.

NOTE 1 - BASIS OF EXAMINATION AND SIGNIFICANT POLICIES

Advanced Medical Transport, Inc. (Organization) is an Illinois not for profit, tax exempt corporation organized exclusively for charitable, scientific, and educational purposes in furtherance of, and to carry out, the purposes of Peoria Hospitals' Mobile Medical Services, an Illinois not for profit corporation. The Organization has entered into an agreement with the City of Peoria for a nonexclusive franchise right to provide ambulance service in the City of Peoria. The Organization's agreement with the City of Peoria calls for the Organization to meet certain time standards for emergency responses.

Per the City of Peoria agreement, at least 90 percent of all response times for life-threatening Priority 1 emergencies shall meet the requirements of the National Fire Protection Association (NFPA) 1710 "Emergency Medical Operations". This standard allowed up to ten minutes for the Organization to reach the scene of the call after notification of the call was received.

Per the City of Peoria agreement, 90 percent of all other non life-threatening Priority responses (titled Priority 2 by the Organization) shall meet a standard of twelve minutes for the above procedures.
