

**OFFICE OF THE CITY MANAGER**

**TO: Honorable Mayor and Members of the City Council**

**FROM: Patrick Urich, City Manager** 

**DATE: May 9, 2014**

**SUBJECT: Issues Update**

The following are issues related to the City for the weekly Issues Update. If there are additional items you believe should be included, please let me know.

**IHDA Abandoned Residential Property Municipality Relief Program**

The City, through its Community Development Department, has received a grant award in the amount of \$75,000 from the Illinois Housing Development Authority (IHDA) for the Abandoned Residential Property Municipality Relief Fund (APP). Please see attached Press Release from the Office of Governor Quinn regarding the award announcement.

The APP was created in 2010 when Governor Quinn signed the Save Our Neighborhoods Act. Funding for the Program was expanded by subsequent legislation that Governor Quinn signed into law in 2013. Funding for the Program is derived solely from foreclosure filing fees paid by lending institutions and collected by the county clerk in which the foreclosure is filed. The collection of additional filing fees began in June 2013.

Grant funds may be used for securing, maintaining, demolishing or rehabilitating abandoned homes. Strategically reviewing areas in the City that could benefit from increased resources, staff will focus awarded APP funds for the far south side neighborhoods for demolishing abandoned and vacant homes. Please see the attached map for the proposed area.

It is anticipated that funds will become available from IHDA in July 2014. For questions or to request additional information, please contact Ross Black, Community Development Director at (309) 494-8601 or [rblack@peoriagov.org](mailto:rblack@peoriagov.org).

**Citizen Police Academy**

The 2014 Citizen Police Academy will begin on Wednesday, June 4<sup>th</sup>. Interested citizens should fill out the attached application and return it to Steve Fairbanks at the Police Department. Applications will be accepted until twenty participants have registered or until May 1<sup>st</sup>.

## **Wisconsin Avenue Business Corridor Neighborhood Design Workshop Update<sup>1</sup>**

On Tuesday, April 29, 2014, Farnsworth Group, Inc. and the City held a Neighborhood Design Workshop at the East Bluff Community Center to obtain public input on the future of the Wisconsin Avenue Business Corridor. Approximately 30 residents and stakeholders attended the event, which kicked off with a walking tour of the Corridor, followed by a 'hands on' brainstorming session.

It was an energized meeting, with participants engaged in sharing ideas to enhance the Corridor, with consensus on what was needed.

Suggestions ranged from wider sidewalks to more street lights, from murals to more restaurants, to creating a 'theme' for the District. Ideas for architectural improvements and redevelopment opportunities were also pointed out by participants during the walking tour.

Information collected from the business interviews and the Design Workshop will be consolidated into a plan for the District. The Plan is proposed to be complete by late summer or early fall.

Highlights of the evening were also captured by the media and can be viewed at:

<sup>1</sup> Note: This item was included in the previous edition of the Issues Update, but was not included in the tables of contents. Therefore, it is being published again this week to ensure visibility.

**Vendor Response Inquiry**

During the May 13, 2014 Council meeting, Council requested that we survey the list of vendors for the Fire Captain promotional exam to determine why only one vendor submitted a proposal in response to our RFP. The following summarizes the results of that survey:

<b>Vendor</b>	<b>Response</b>
Campion, Barrow and Associates	The scope of work is outside their area of expertise. They also did not believe they could be competitive because they would have to conduct a job analysis which would add additional costs. They were aware that the City's current vendor had already completed the job analysis.
The Mercer Group	They no longer do testing for agencies.
Resource Management Services	They did not feel that they could be competitive because Resource Management Associates submits a bid that provides a sliding scale depending on the number of employees who actually compete in the process while they submit a flat fee that doesn't change whether 5 or 50 employees compete. The firm was disheartened after not being chosen after the last bid. The firm has changed its focus and now does more in the area of training and EAP.
Merit Employment	Since the City previously selected another vendor for its entry level Fire and Police testing, they decided not to submit bids for other services. The owner no longer likes to travel. In addition, the assessment centers and coaching sessions the City requested are too labor intensive.
McGrath Consulting	They now limit their testing services to Chiefs and Assistant Chiefs.
COPS Testing	The firm has found that most communities in the area select Resource Management Associates. They are known as a leader in fire and police promotional testing. RMA has already conducted job analyses which are a time consuming and costly to provide. It was not worth their time to submit a bid in this instance.
Group 1 Resources	They changed the focus of their company. The name has changed to Progressive Intelligence Technologies and they believe this is outside their area of concentration.
Steve A. Laser	They moved and had not updated their address with the City. The City updated their information for future reference.
Gerald Plock and Associates	Did not return call.
TW Matthews and Associates	Did not return call.
Ergonomics	Did not return call.
Resource Management Associates	Only vendor to submit a bid.

Issues Update  
May 9, 2014

**Emergency Communications Center Report: April 2014**

Attached is the ECC Report for the month of April.

**Last Week to Respond to Citizen Survey**

Peoria residents have one week left to respond to the survey open to the entire City. It is open through Friday, May 16<sup>th</sup>, 2014. The survey is conducted by the National Citizen Survey, and all responses will remain anonymous. It can be found at [www.peoriagov.org/city-survey-open-to-all-residents/](http://www.peoriagov.org/city-survey-open-to-all-residents/). Feedback from the survey will be used to help shape future policies for the City of Peoria. Questions about the survey can be directed to the City Manager's Office at 309-494-8524.

**Site Plan Review Board Agenda**

The SPRB agenda from May 5<sup>th</sup> is attached. Any questions related to the listed projects should be directed to the Planner assigned to the case.

**Housing Court Cases**

The list of housing court cases scheduled for May 13<sup>th</sup> is attached.

**Code Violation Cases**

The list of Code violation cases scheduled for May 13<sup>th</sup> is attached.

OFFICE OF THE GOVERNOR  
PAT QUINN

**For Immediate Release**  
Thursday, May 1, 2014

## **Governor Quinn Announces \$327,000 in Community Stabilization Grants for Central Illinois**

*New \$7.2 Million Program Helps Local Governments Across Illinois Secure  
Abandoned Properties and Strengthen Communities*

CHICAGO – Governor Pat Quinn today announced a \$7.2 million investment that will allow communities across Illinois to clear blight and stabilize neighborhoods. The investment includes \$327,000 for Champaign, Macon, McLean, Peoria and Sangamon County communities. Today's announcement is part of Governor Quinn's commitment to stabilize neighborhoods and return vacant properties to productive use to advance the economy.

"We are starting programs to reinvigorate our economy and strengthen communities in the wake of the national foreclosure crisis," Governor Quinn said. "This support will give local governments the tools they need to stabilize communities throughout Illinois."

The investments for today's announcement come from the new Abandoned Property Program, which is administered by the Illinois Housing Development Authority (IHDA) and funded through filing fees paid by financial institutions. The program was created by legislation Governor Quinn signed into law last year. This builds on the Governor's March 27 announcement that the U.S. Department of the Treasury will support IHDA efforts to leverage up to \$30 million of its federal Hardest Hit Fund resources to eliminate blight in communities around the state.

A total of 53 municipalities, counties and land banks have been approved for the first round of funding based on need, capacity, impact, budget, cost reasonableness and readiness to proceed. Eligible uses for the grants include maintaining weeds and grass, trimming trees and bushes, installing fences to protect the public, and repairing or demolishing abandoned property.

The central Illinois communities receiving Abandoned Property Program funds include:

- Bloomington, \$52,455
- Champaign, \$50,000
- Decatur, \$75,000
- Peoria, \$75,000
- Springfield, \$75,000

Effective in June 2013, banks and other lending institutions began funding the new program by paying fees on a sliding scale based on how many foreclosures they file each year. For example, an institution that files more than 175 foreclosures must pay \$500 per foreclosure, while one with between 50 and 175 must pay \$250 per foreclosure, and those with less than 50 foreclosures a year must pay \$50 per filing.

“Under Governor Quinn, the state has leveraged every available resource to enable more than one million families to access assistance to stay in their homes and help hard-hit communities thrive again,” IHDA Executive Director Mary R. Kenney said.

“Local officials and our neighborhood associations have been working to address the serious issue of abandoned homes in Peoria for a long time,” State Representative Jehan Gordon-Booth (D-Peoria) said. “With these additional funds, the city will be able to continue its efforts, particularly in our older neighborhoods and help make our community cleaner and safer.”

“The housing crisis took a tremendous toll on many communities and it is vital we work with local governments to rebuild our neighborhoods,” State Representative Naomi Jakobsson (D-Urbana) said. “Through these investments, we can remove abandoned and dangerous properties and revitalize neighborhoods.”

Since he took office in 2009, Governor Quinn has:

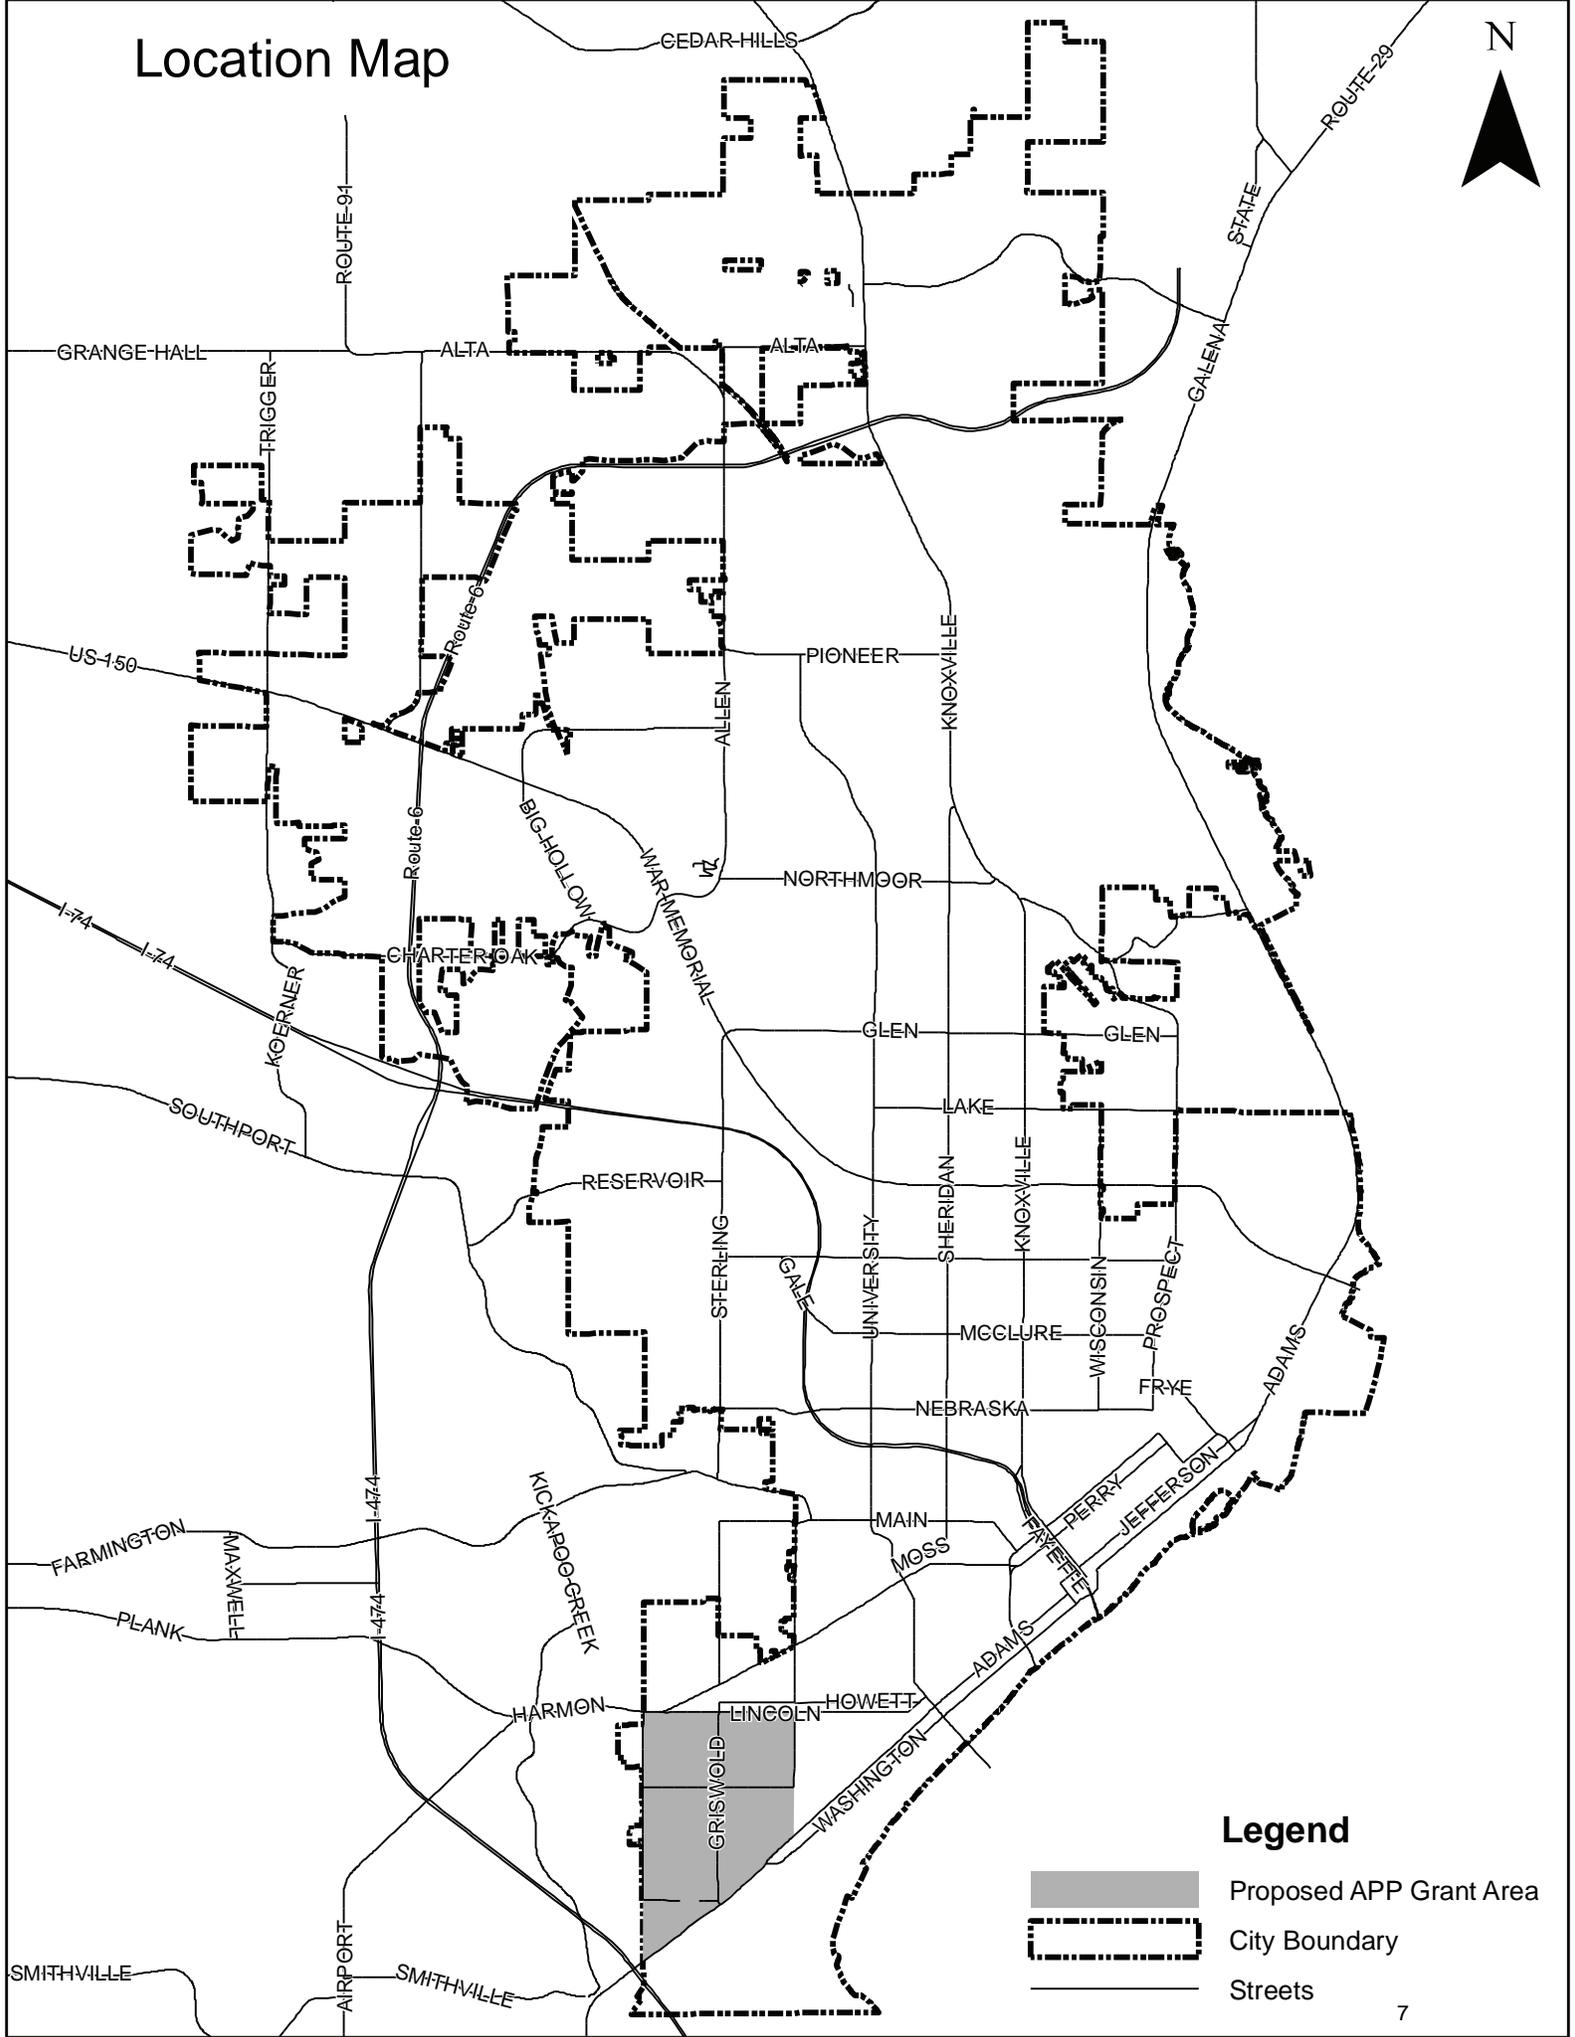

- Successfully implemented the U.S. Department of the Treasury’s Hardest Hit Fund (HHF) program in Illinois – creating four programs with \$445 million in federal foreclosure prevention resources. The latest – the Blight Reduction Program – will help communities eliminate blight starting this summer.
- Launched the Illinois Foreclosure Prevention Network (IFPN), a one-stop comprehensive, free resource to connect struggling homeowners with a safe and trusted source for assistance to keep them in their homes and help them from being victims of mortgage fraud. More than 1 million families have accessed this free assistance through the IFPN. Homeowners seeking assistance should visit the IFPN website at [www.keepyourhomeillinois.org](http://www.keepyourhomeillinois.org) or call the hotline at 855-KEEP-411.
- Created Illinois Building Blocks program – Available in 15 Illinois communities, buyers of vacant homes can access \$10,000 in cash assistance to purchase a home. The program also provides funds for the re-development of vacant homes. To date, approximately 800 vacant homes have been purchased through this program.
- Launched the Illinois Homebuyer Rehabilitation Assistance Program - \$6.6 million to 16 public and not-for-profit organizations to allow 240 low- to moderate-income homebuyers of vacant homes to apply for rehabilitation grants in seven targeted communities.
- Administered the federal Neighborhood Stabilization Program (NSP) to purchase and rehabilitate 240 rental units and 106 foreclosed and abandoned homes that might otherwise become sources of abandonment and blight. An additional 29 blighted properties have been demolished.

For more information on the programs above, visit [www.ihda.org](http://www.ihda.org).

IHDA ([www.ihda.org](http://www.ihda.org)) is a self-supporting state agency that finances the creation and the preservation of affordable housing across Illinois. Since its creation in 1967, IHDA has allocated \$12.4 billion and financed approximately 240,000 affordable units across the state.
