SUBJECT: Issues Update

The following are issues related to the City for the weekly Issues Update. If there are additional items you believe should be included, please let me know.

Emergency Communications Center Report: February 2014

Attached is the ECC Report for the month of February.

2014 Private Activity Bonds

The City of Peoria has allocated tax exempt Private Activity Bonds in the amount of \$11,568,700 for development projects in the field of manufacturing/industrial or low/moderate income multi-family housing.

Industrial Revenue Bonds (IRB's) may be allocated on behalf of manufacturing companies to finance specified costs of a project. Qualified Industrial Revenue Bond projects include facilities that are primarily used for manufacturing or processing tangible products. The Internal Revenue Code defines IRB eligible requirements.

Housing Bonds may also be allocated on behalf of multi-family rental housing projects when at least 20% of the units are rented to people whose income is 50% of median income or below; or 40% of the units are rented to people with income of 60% or less of median income.

Both IRB and Housing Bond proceeds may be used for the acquisition of fixed assets such as land, building and equipment for either new construction or renovation projects.

The benefits of these bonds are:

- Long-term financing at a low interest rate, usually below the prime rate.
- Financing up to 100% of project cost (subject to credit approval and underwriting standard of the borrower's bank).

In order for a consumer to participate in this program, projects must:

- Exist in the City of Peoria, Illinois;
- Meet the uses as specified above;
- Exceed \$1.5 million in cost.

Issues Update
March 21, 2014

Applicants should be prepared to consult with their attorneys to determine their eligibility for this bonding program, as borrower will be responsible for the entire bond issuance process.

Anyone interested in utilizing the City of Peoria 2014 Private Activity Bonds should submit, in writing, their request which states the type of project, project details, other funding sources and the amount of bond requested. Requests may be submitted beginning at 8:00 a.m. on Monday, March 31, 2014, but cannot be submitted any later than 5:00 p.m. on Monday, August 18, 2014.
