

OFFICE OF THE CITY MANAGER

TO: Honorable Mayor and Members of the City Council

FROM: Patrick Urich, City Manager 

DATE: October 14, 2016

SUBJECT: Issues Update

The following are issues related to the City for the weekly Issues Update. If there are additional items you believe should be included, please let me know.

What's Next Peoria? Help Plan the Riverfront

PUBLIC MEETINGS HAVE BEEN SCHEDULED

Please plan to attend either of the 2 public meetings scheduled for planpeoria.com

Monday, October 24 (4:30-6:30)

Tuesday, October 25 (11a-1p)

Meetings will be held in the Lakeview Room at the Peoria Riverfront Museum. Please bring a brown bag lunch.

It's an open slate. We're asking.....what do we want for downtown and the riverfront? How do you want the area to look, act and feel? This is an opportunity to give us your thoughts. It's easy! 1. Create an account by "Signing Up" above. 2. Look at the ideas your fellow citizens have already submitted. 3. Join the discussion by making a comment or simply "Support" ideas you like. 4. Have a new idea? "Create a New Campaign" and tell us about it. Click [HERE](#) to get started

Community Development-Community Housing and Development Organization (CHDO) Certification

The City, through its Community Development Department, has released the Certification Form for organizations to be designated as a CHDO in order to be eligible candidates for available funding. A CHDO is a private, nonprofit, community-based service organization that has paid staff and the capacity to develop affordable housing for the Peoria community. A CHDO must meet certain requirements pertaining to its 1) legal status, 2) organizational structure and 3) capacity and experience.

The City must use 15 percent of its total HOME Investment Partnership Grant allocation for CHDO activities. Based on the City's HUD 2016 budget (approved in its current form by Council on September 13, 2016; Council Item # 16-305), \$302,738 is set aside for CHDO activities.

Certification Forms for those interested in becoming a CHDO and for existing CHDOs to recertify its status are available until Monday, November 21, 2016. Copies can be obtained from the Community Development Department or by contacting Nick Mitchell, Grants Coordinator at (309) 494-8935 or nmitchell@peoriagov.org.

Community Development—Neighborhood Banquet

Thursday, November 3rd, the City of Peoria will host the 2016 Neighborhood Banquet at the Peoria Civic Center from 6:00 - 8:30 p.m. This annual event celebrates the accomplishments of neighborhood associations and community advocates who have worked diligently with their neighbors, the City of Peoria, and the community at large to improve the quality of life in their communities.

The theme for this year's banquet is "Appreciate Peoria" to promote gratitude for the people, places, and things that make our city great.

Please join us for an evening of music, food, and fun in celebration of the local leaders who work hard to improve our community. To RSVP, nominate a community leader for one of the many awards, or for more information, please visit www.peoriagov.org/neighborhoodbanquet or call Neighborhood Enhancement Coordinator, Raven Fuller, at 309.494-8636.

Public Works/#iteam--NEW CITYWIDE PARTY CELEBRATES PEORIA'S IMPROVEMENTS

We're celebrating better blocks with a giant street party. Join us October 22 from 4 to 8 p.m. as we conclude our first green infrastructure project. Enjoy live music by Steady Flow and sample fare from food trucks for an outdoor dining experience. Even though there will be a beer tent selling adult beverages, admission to this event is free and open to all ages.

CityFest is a party on the move, traveling to new and improved parts of our city. Don't miss this inaugural event highlighting Peoria's historic Warehouse district. See how the new green solutions make the road more accessible, bike-friendly and beautiful.

We added smart features to Adam Street. Now it's time to add the fun! Don't miss this special event

Peoria Police Department—Upcoming Events

- Trick Or Treat

Peoria Public Schools – Update from Superintendent Dr. Sharon Desmoulin-Kherat

As Election Day approaches and early voting has already begun, Peoria citizens have several opportunities in the coming weeks to learn more about the proposed Peoria County Schools Facility Sales Tax.

If approved by voters, the ½% sales tax would generate \$9 million annually to be shared among all Peoria County public schools districts, including the Peoria Public Schools, based on enrollment. By law, the revenue may be used only for school building improvements.

Peoria citizens can learn the details about the Schools Facility Sales Tax at the following public forums:

- Monday, October 17, 6 to 8 p.m. at Carver Center, 710 W. Third St.
- Tuesday, October 18, 6 to 8 p.m. at Lakeview Recreation Center, 1013 W. Lake Ave. in the multipurpose room.
- Tuesday, November 1, 6:30 p.m. at Wilder Waite Grade School, 10021 N. Pacific.

Issues Update
October 14, 2016

The ½% tax is on items such as retail goods, fast food and restaurant meals. The tax will not be applied to groceries, medicines, cars or other motor vehicles, farm equipment or services such as haircuts. In real terms, the tax equates to an additional \$2 on a \$400 TV or appliance.

Within the Peoria Public Schools, revenue from the sales tax will be used for such items as roof repair and replacement, HVAC air quality improvements, upgrades for energy efficiency and safety improvements on school buildings where students are present. Our Buildings and Grounds staff have assessed the District's needs and prioritized the projects.

We all want stronger schools, stronger students and a stronger economy. The School Facility Sales Tax will provide a vastly improved physical learning environment for our children. It will also support good jobs among the Peoria area building trades for years to come. Please consider attending the forums listed above to learn more about the ballot question and don't forget to vote on November 8th!

Serve Passionately,

Dr. Sharon Desmoulin-Kherat, Superintendent

TRICK

TREAT

Hey Kids!

Trick or Treat

At the Peoria Police Department!

WHAT: Police – A – Treat

WHERE: Peoria Police Department

600 SW Adams

WHEN: Saturday, October 29, 2016

4:00 -8:00 pm

There will be candy, a balloon artist,

Petting Zoo, and surprises too!

Beware of Malware

Sam Rivera, Chief Information Officer

From the Desk of Thomas F. Duffy, Chair, MS-ISAC

Happy Cyber Security Awareness Month! October is not only National Cyber Security Awareness Month, it is also a time to celebrate Halloween. Just like the disguises the trick'r'treaters wear, malware can use "costumes" to disguise what it is, and tricks you into installing it. These disguises come in many forms, but if you know what to look for, you can avoid the tricks.

Trojan Horses

Trojan Horses are a type of malware that misrepresent themselves to look legitimate, much like the Trojan Horse the Greek army used to enter Troy. Trojan Horses may be apps in smartphone stores, freeware and shareware, or even attachments to emails. The last is a very common spam technique and is often used with spam email campaigns that say you have a voicemail, fax, or shipping notification. When you click the attached document to hear the voicemail, or see the fax, or who has shipped you a package, the file opens to show you what you expect to see or hear, but in the background malware is downloading on to your computer.

Drive-by Downloads and Malvertising

Drive-by downloads occur when a program is downloaded onto your device without your permission. One way this happens is through malicious advertising or *malvertising*. You know the advertisements that appear on the edge of many webpages? When malicious actors purchase advertising space there, they can install malware in the advertisement. That means that if you see that malicious advertisement, which looks like any legitimate advertisement, the malware hidden in the advertisement will automatically try to download onto your device.

Social Engineering – Malicious Links

Social engineering relies on tricking you into taking an action, such as clicking on a link or opening an attachment. When the webpage or attachment opens, malware is installed on your device. Some types of social engineering use *link baiting* or other techniques to get you to click on the malicious link. Link baiting (which is not necessarily malicious) is when content providers use a teaser, such as "5 Things Preventing You From Being Rich" or "When I found about this trick, it blew my mind!", to get you to click on a link.

Social Engineering - Scareware

Scareware, such as ransomware and fake antivirus software, frequently use social engineering by making popup boxes look like messages from your computer. These messages look official and say things “System Warning!” and “Threats Found!” or “Your computer is infected. Click OK to remove the virus.” They hope you’ll click on the message, which allows the malware to be downloaded on to your computer. Often clicking anywhere on the message allows the malware to be downloaded, so instead hit the back button or on a Windows computer, use the Task Manager to close the popup window.

As if scareware wasn’t bad enough, some versions of scareware use the scary warning messages to convince you to buy the malware. *Fake antivirus* malware most commonly uses this technique. Fake antivirus is malware that pretends to be real antivirus software. The criminals who sell the fake antivirus have professional-looking websites, call centers where you can ask for help, and even different payment levels. After you buy and install the fake antivirus, it will infect your computer with malware instead of cleaning it and the malicious actors have your money!

Minimize Your Risk

Avoid the tricks by being aware of the tactics:

- Only open an email attachment or click on a link if you’re expecting it and know what it contains. Do not open email attachments or click on the links from unknown or untrusted sources.
- If something looks suspicious in an email from a trusted source, call and verify the email is legitimate.
- Use up-to-date antivirus protection and apply recommended patches/updates to your device.
- Only install third-party applications and software that you really need. Make sure it is from the vendor or the Android, Apple or Windows Store. Since the app stores allow third-parties to post and sell apps, make sure the app is from a trustworthy source.
- Use discretion when posting personal information on social media. This information is a treasure-trove to scammers who will use it to feign trustworthiness.

The information provided in the Monthly Security Tips Newsletter is intended to increase the security awareness of an organization's end users and to help them behave in a more secure manner within their work environment. While some of the tips may relate to maintaining a home computer, the increased awareness is intended to help improve the organization's overall cyber security posture. This is especially critical if employees access their work network from their home computer. Organizations have permission and are encouraged to brand and redistribute this newsletter in whole for educational, non-commercial purposes.

Peoria Cares

2016 Monthly Report

From: The Office of the City Manager
Presented to: City of Peoria, Mayor and Council Members
Tuesday, October 11, 2016

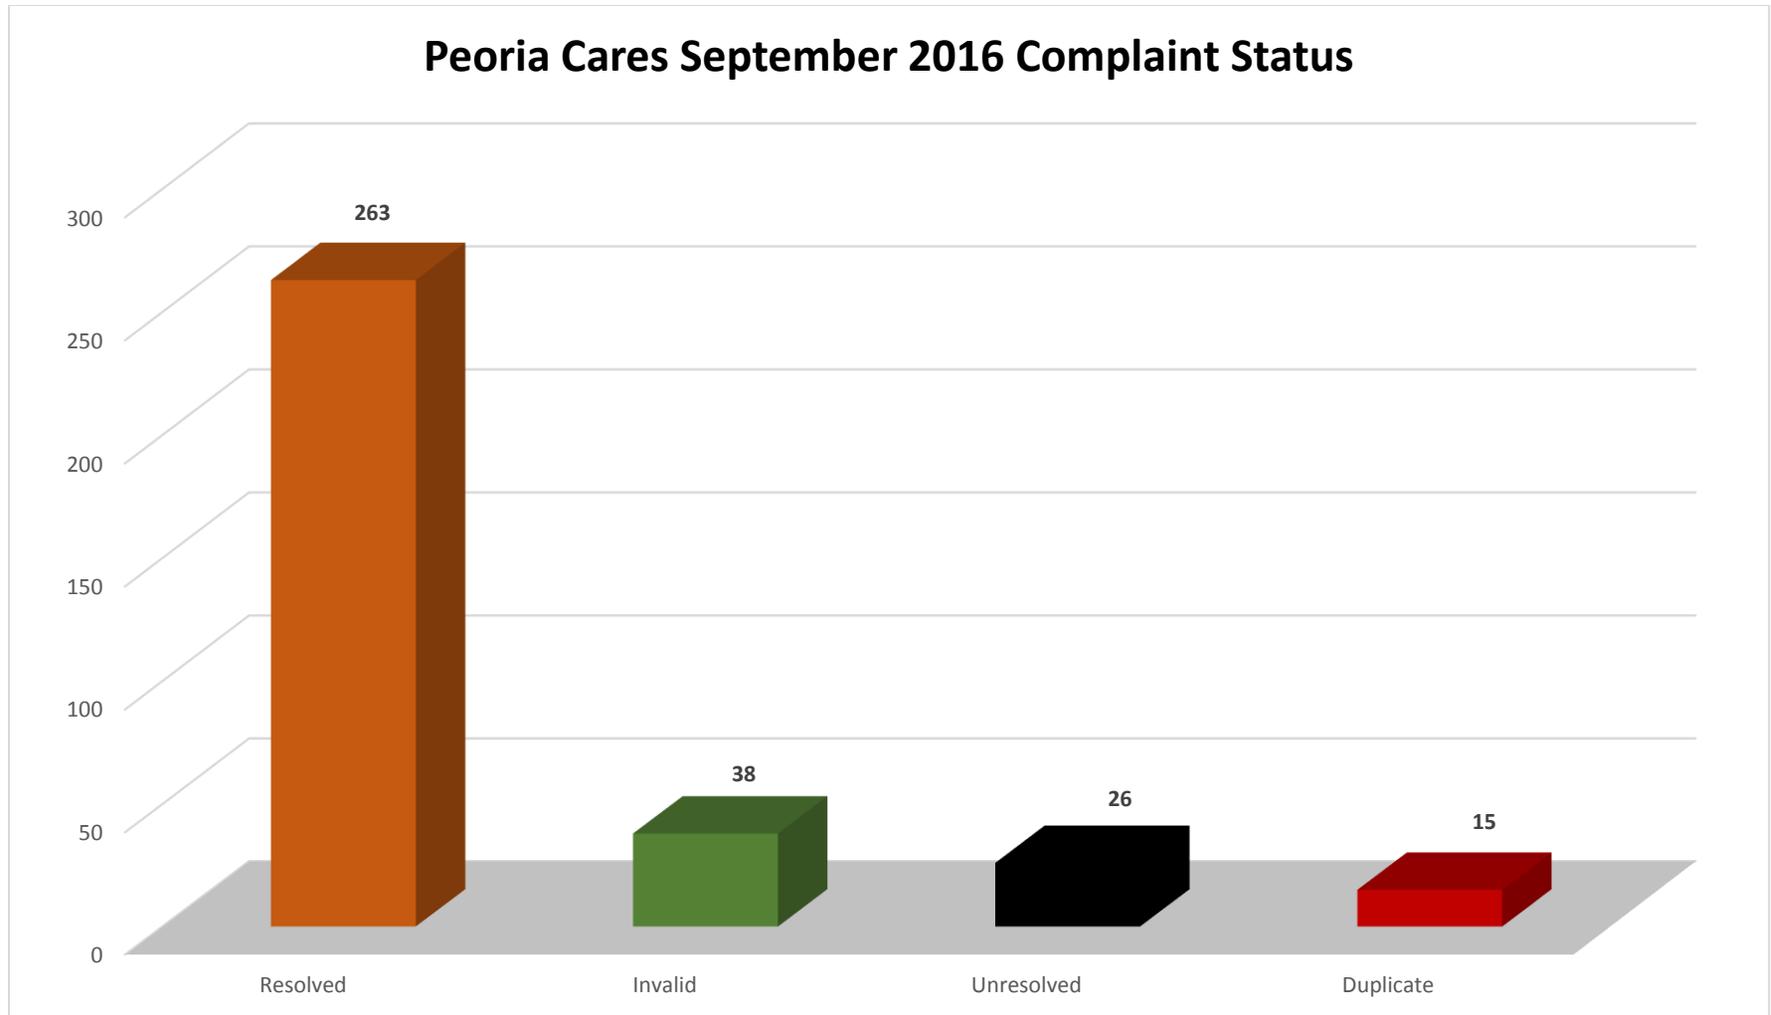

Peoria Cares Communication Transactions During the Month of September 2016

In September, a total of 767 calls were received from the Peoria Cares phone line. There were 18 phone calls that generated a Peoria Cares case. The cases were sent to the appropriate City Department(s). Each department handled the complaint from start to finish. Every call will always receive an optimum level of customer service; during this time period, there were calls that varied in response. A few of the citizen phone calls required, research and information gathering for other assistance offered, in the Greater Peoria Tri-County Communities.

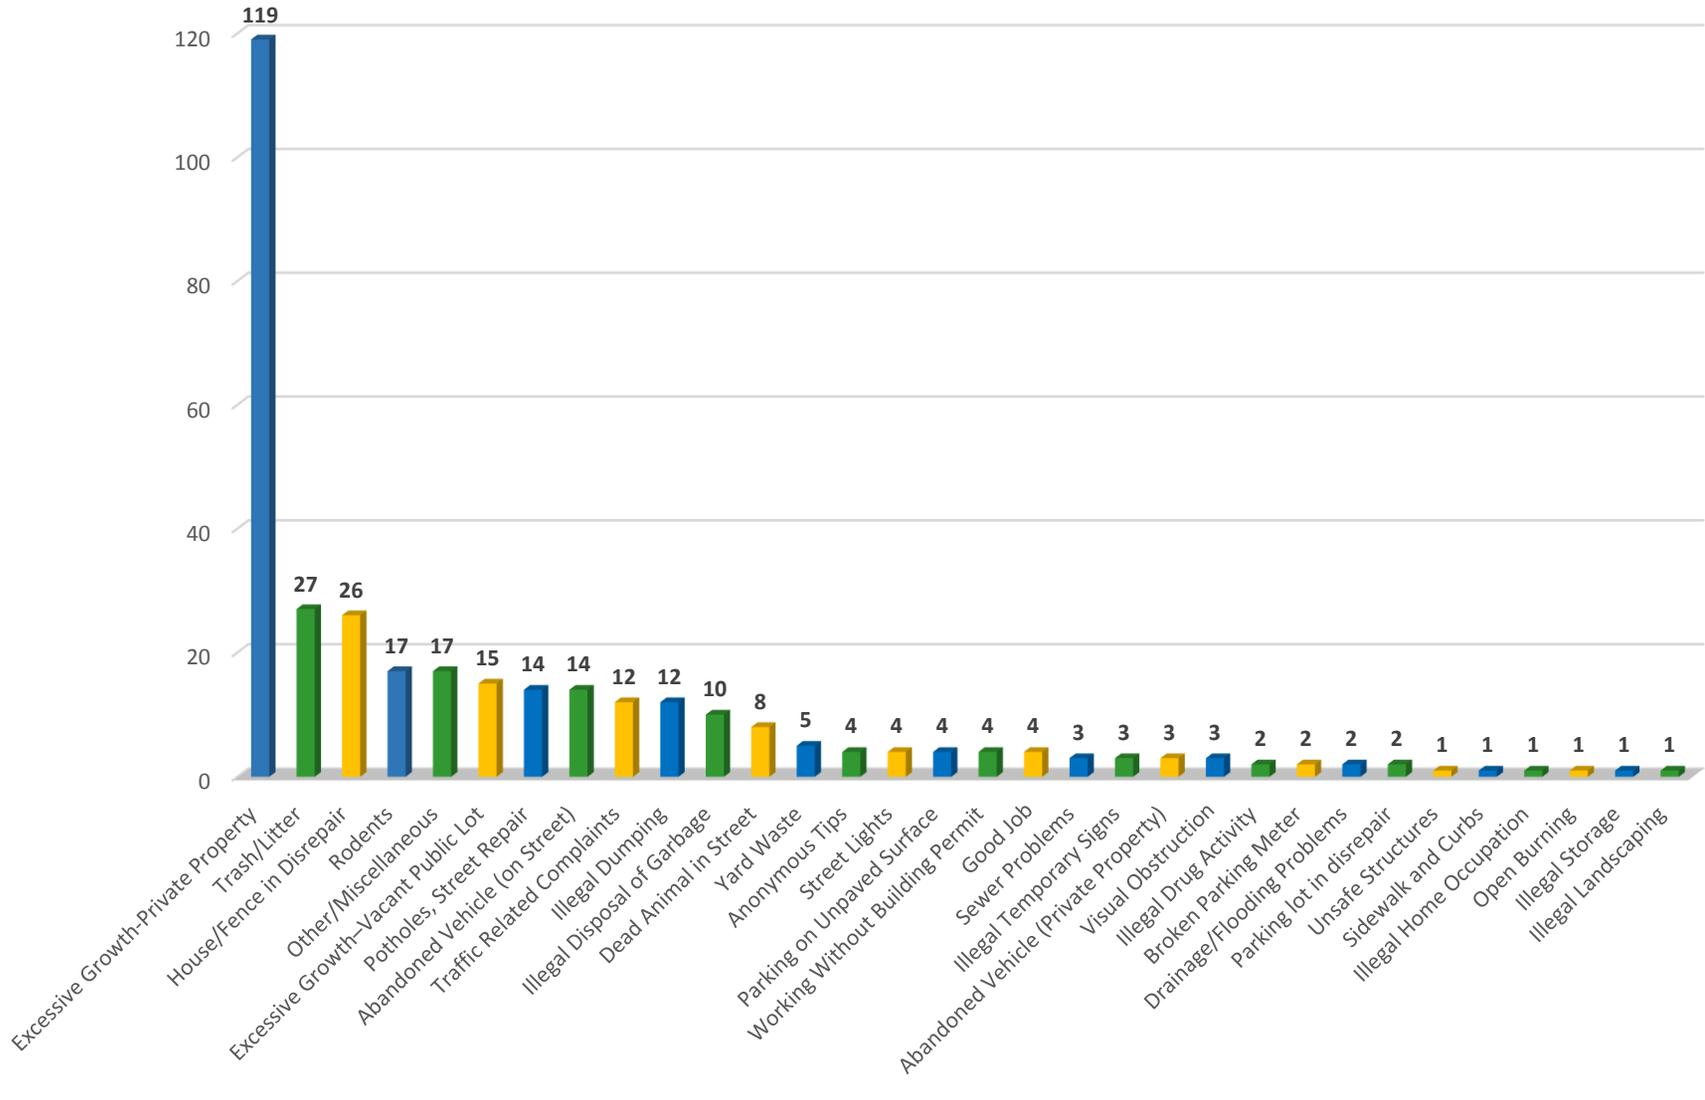

Peoria Cares September 2016 Complaint Status

The 26 unresolved Peoria Cares complaints, will be handled in a time sensitive manner, by its respective department(s). Each month, our goal is to follow-up with all departments unresolved complaints, and to ensure we can quickly respond to citizen's needs.
