

OFFICE OF THE CITY MANAGER

TO: Honorable Mayor and Members of the City Council

FROM: Patrick Urich, City Manager 

DATE: June 2, 2017

SUBJECT: Issues Update

The following are issues related to the City for the weekly Issues Update. If there are additional items you believe should be included, please let me know.

Pick Up Peoria—Monday Lunch Time Litter Pick Up

LUNCHTIME LITTER COLLECTION WILL MEET IN FRONT OF CITY HALL ON MONDAY, JUNE 5 at NOON.

City Of Peoria Schedules Second Set of Community Conversations

The City of Peoria has scheduled the second set of work groups based on previous engagement with residents. The *Community Conversations on Race and Economic Opportunity*, scheduled in December 2016 and January 2017, had over 400 attendees. From those discussions, the below themes and work groups emerged. At these meetings, attendees share ideas and learn about programs and services that are in place in our community. Next week we will have the Education meeting.

- ***Education*** (Increasing education attainment, reducing barriers to attainment and completion)
 - ***Monday, June 5 at 6 pm at Valeska Hinton.***

For additional information and meetings notes, please visit:

Peoria Public Schools—Update from Superintendent Desmoulin-Kherat

Professional Learning Center provides state-of-the-art facility for educators

The Peoria Public Schools strategic plan specifies that we provide job-appropriate targeted professional development for all staff, aligned to support student achievement and school effectiveness.

A project completed this spring by the Building and Grounds and Technology staff members makes accomplishing this goal easier, more efficient and more economical. Over six months, what had been a cavernous furniture storage space at the back of the Peoria Public Schools Administration Building, has been transformed to a state-of-the-art, bright, open space for offices and staff training.

The focal point of the space is the Professional Learning Center (PLC) consisting of two professional development classrooms and an open area to support small group trainings of up to 20 people. The larger classroom, at 2,320 square feet, accommodates 100 people and the second, at 1,624 square feet, accommodates 63 people.

During the summer months, our PLC classrooms are in almost daily use for professional development training for principals, assistant principals, classroom teachers and other district professionals.

Each of the two classrooms has a large screen display connected to a document camera and a computer, with additional connections available for presenters' laptops, iPads, MacBooks, cell phones or tablets. The rooms include large flat-screen monitors on the side walls to ensure all attendees, even in the back, can see presentations clearly.

The rooms are equipped with microphones and speakers so attendees can ask questions and be easily heard by colleagues or anyone participating by phone or Skype. The rooms have HP stream laptops available so attendees can interact during presentations and have wireless capabilities for attendees using their own device.

PPS principals meet to discuss reading curriculum and middle school sports programs.

Issues Update

June 2, 2017

Peoria Public School staff members attend professional development programs on various topics several times each month. Prior to building the Administration Building's PLC rooms, programs were most often held in the commons at Woodruff Career and Technical Center (WCTC), a space with limited capacity, outdated technology and the need for several hours of custodial and technology staff work to set up and tear down. Larger professional development activities were forced off-site.

Much of the technological equipment housed in the PLC was donated to the Peoria Public Schools by Methodist College when they moved to their new campus in north Peoria in 2016. In addition, the renovation labor was entirely performed by Building and Ground staff members, saving approximately \$300,000 in labor costs. Even the WCTC Construction Trade students pitched in by beautifully refinishing a large conference table that had already been in use at the Administration building.

The new space also includes offices and a small conference room for the 6-members Office of Curriculum and Instruction and completely renovated restrooms.

In addition to using the space for Peoria Public School professional training, the District will make it available for rent to outside groups and meetings. For more information or to secure a rental agreement, call 672-6536.

WCTC Construction Trade students stripped, sanded and varnished a conference table for the center.

A map of the District from the early 1960s, with pins marking each school was unearthed during construction. A thorough cleaning and custom frame preserves it for visitors.

Serve Passionately,

A handwritten signature in blue ink that reads "Sharon Desmoulin-Kherat".

Dr. Sharon Desmoulin-Kherat, Superintendent

Issues Update
June 2, 2017

Code Violation Cases

There are no court cases for June 6.

Development Review Board Agenda

Please see attached.

Housing Court Cases

The list of cases for June 6 is attached.

Fireworks

Peoria, IL - The Peoria Police remind residents the following are the only types of fireworks permitted in the City of Peoria:

- Party Poppers
- Snappers
- Toy Caps
- Snakes
- Glow Worms
- Smoke Generating Devices
- Sparklers

Pursuant to the City of Peoria Municipal Ordinance for Fireworks (11-91), possession and or use of unauthorized fireworks is prohibited. Persons found in violation of the fireworks ordinance will be issued citations.

FOR IMMEDIATE RELEASE

May 31, 2017

For More Information: Contact Officer Amy Dotson – PIO – 309-620-2047

Sculpture Walk

Peoria, IL - Saturday, June 03, 2017, the Arts Partners of Central Illinois will sponsor a sculpture walk. The walk will be on Washington Street between Liberty and Oak from 10am to 6pm.

Public Works will shut down Washington Street at Liberty with barricades prior to 10am. All side streets will be barricaded off with the exception of State Street. Traffic will be allowed to cross Washington Street on State Street; however, it will be controlled by an Officer.

If you will be traveling in the downtown area, please be aware of increased pedestrian traffic.
