Peoria Public Schools – Update from Superintendent Dr. Sharon Desmoulin-Kherat

Attendance Counts!

Research has shown that good attendance is vital to students’ learning. Increased attendance means increased success at school, increased graduation rates and even increased revenue for the school district.

Issues Update
October 11, 2018

In fact, state funding is based in part on a school district's average daily attendance for its best three months of attendance, generally the first three months of the year.

For those reasons and more, each of our Peoria Public Schools works hard to promote good attendance. This school year has started off strong with 15 of our 27 schools achieving 95 percent attendance in August and September. That is outstanding! Those schools are: Charter Oak Primary School, Dr. Maude A. Sanders Primary School, Harrison Community Learning Center, Hines Primary School, Kellar Primary School, Lindbergh Middle School, Mark Bills Middle School, Northmoor Primary School, Richwoods High School, Rolling Acres Middle School, Roosevelt Magnet School, Thomas Jefferson Primary School, Von Steuben Middle School, Washington Gifted Middle School and Whittier Primary School.

Of course, we're always looking to improve. That's why we also celebrated the three schools with the top most improved attendance over September 2017 at the October 8 Board of Education meeting. In third place was Von Steuben Middle School, improving attendance by 1.65 percent, from 93.58 percent in 2017 to 95.23 percent in 2018. Manual Academy placed second, improving attendance by 2.08 percent, going from 84.29 percent in 2017 to 86.37 percent in 2018. Valeska Hinton Early Childhood Education Center won the top most improved attendance spot, increasing attendance by 2.20 percent, from 90.55 percent in 2017 to 92.75 percent in 2018.

Attendance counts. Every student. Every class. Every day.

Serve Passionately,

Dr. Sharon Desmoulin-Kherat, Superintendent
