Peoria Public Schools – Update from Superintendent Dr. Sharon Desmoulin-Kherat

June was busy and rewarding for PPS students, recent graduates and staff members.

John Marsh, Richwoods High School Class of 2018, represented the RHS speech team at the National High School Speech tournament in Ft. Lauderdale, Florida. He competed in the final round of the Prose Reading competition, placing 4th in the nation. Marsh will attend Bradley University, competing with its nationally-recognized speech team.

After placing first in the state in February and competing in the National Restaurant Association ProStart competition in Rhode Island in April, the Woodruff Career and Technical Center (WCTC) Culinary Arts team traveled to Louisville KY in late June to compete in the Skills USA National Culinary Arts Contest. The competition tests students' skills in sanitation procedures, organization, cleanliness, safety, attitude and cooking techniques and procedures. Team members demonstrated their skills in nine types of vegetable cuts, butchery, and a total of six cooking techniques for a main entrée, a sauce, a vegetable and a starch. Following the cooking demonstration portion, they completed a written exam. We are waiting to learn the results of the competition.

Meanwhile, two groups of PPS students participated in innovative and creative summer camps. The first, held at Knoxville Center for Student Success, taught students to use cell phone cameras and computer software to shoot and edit videos. The camp was sponsored by Doug and Eileen Leunig and taught by Allison Welsh and Keller Anderson. The students will be able to screen their final projects at the Big Picture Film Festival at the Peoria Riverfront Museum in October.

At Bradley University, PPS middle school students worked with BU Interactive Media Department for two weeks of game-design camp, learning coding and interactive game design. The students are all part of the PPS Foundation Horizons program.

Finally, a group of PPS staff members also earned honors this summer. The PPS Transportation Department recently hosted the Illinois Association for Pupil Transportation conference, trade show and training. PPS mechanics and technicians have the hugely important responsibility for keeping our school buses running and student safe. During the conference, mechanics from all over Illinois competed during the conference, with a PPS mechanic placing third in the competition.

Issues Update
July 5, 2018

In July, students who placed first in the Tri-County Urban League Academic, Cultural, Technology Scholarship (ACT-SO) program, head to Texas to compete in the national ACT-SO competition. We wish them all the best of luck!

Congratulations to these outstanding PPS students and staff members!

Serve Passionately,

Dr. Sharon Desmoulin-Kherat, Superintendent
