

**TO: Honorable Mayor and Members of the City Council**

**FROM: Patrick Urich, City Manager** 

**DATE: January 26, 2018**

**SUBJECT: Issues Update**

The following are issues related to the City for the weekly Issues Update. If there are additional items you believe should be included, please let me know.

### **Community Development - 2018 CDBG Roof Program**

The Community Development Department will hold a lottery for the 20 available openings for the 2018 CDBG Roof Program on Friday, March 9 at 1 pm. The entry period for the lottery will open on Wednesday, February 21 at 8 am and close on Wednesday, March 7 at 5 pm. Applicants may come to City Hall Room 300 at any time during regular business hours from 8 am to 5 pm to submit a household for the lottery by completing an entry form. Entries may also be submitted during evening hours on Wednesday, February 21 from 5 to 6 pm during the lottery informational session. Entrants are not required to be present at the lottery. The first 20 selected entries will have one week to submit all required documentation before moving on to the next household on the list. There is a limit of one entry per household, but no limit to the total number of households that may enter the lottery. Households must meet all CDBG eligibility criteria including owning the home for at least one year, meeting HUD income limits, and having homeowners insurance. An informational session about the lottery process will be held on Wednesday, February 21 at 5 pm at City Hall Room 404. For complete eligibility, please view the application materials at [http://www.peoriagov.org/content/uploads/2012/11/2018-Roof-Program-Notice\\_1516228028\\_add.pdf](http://www.peoriagov.org/content/uploads/2012/11/2018-Roof-Program-Notice_1516228028_add.pdf)

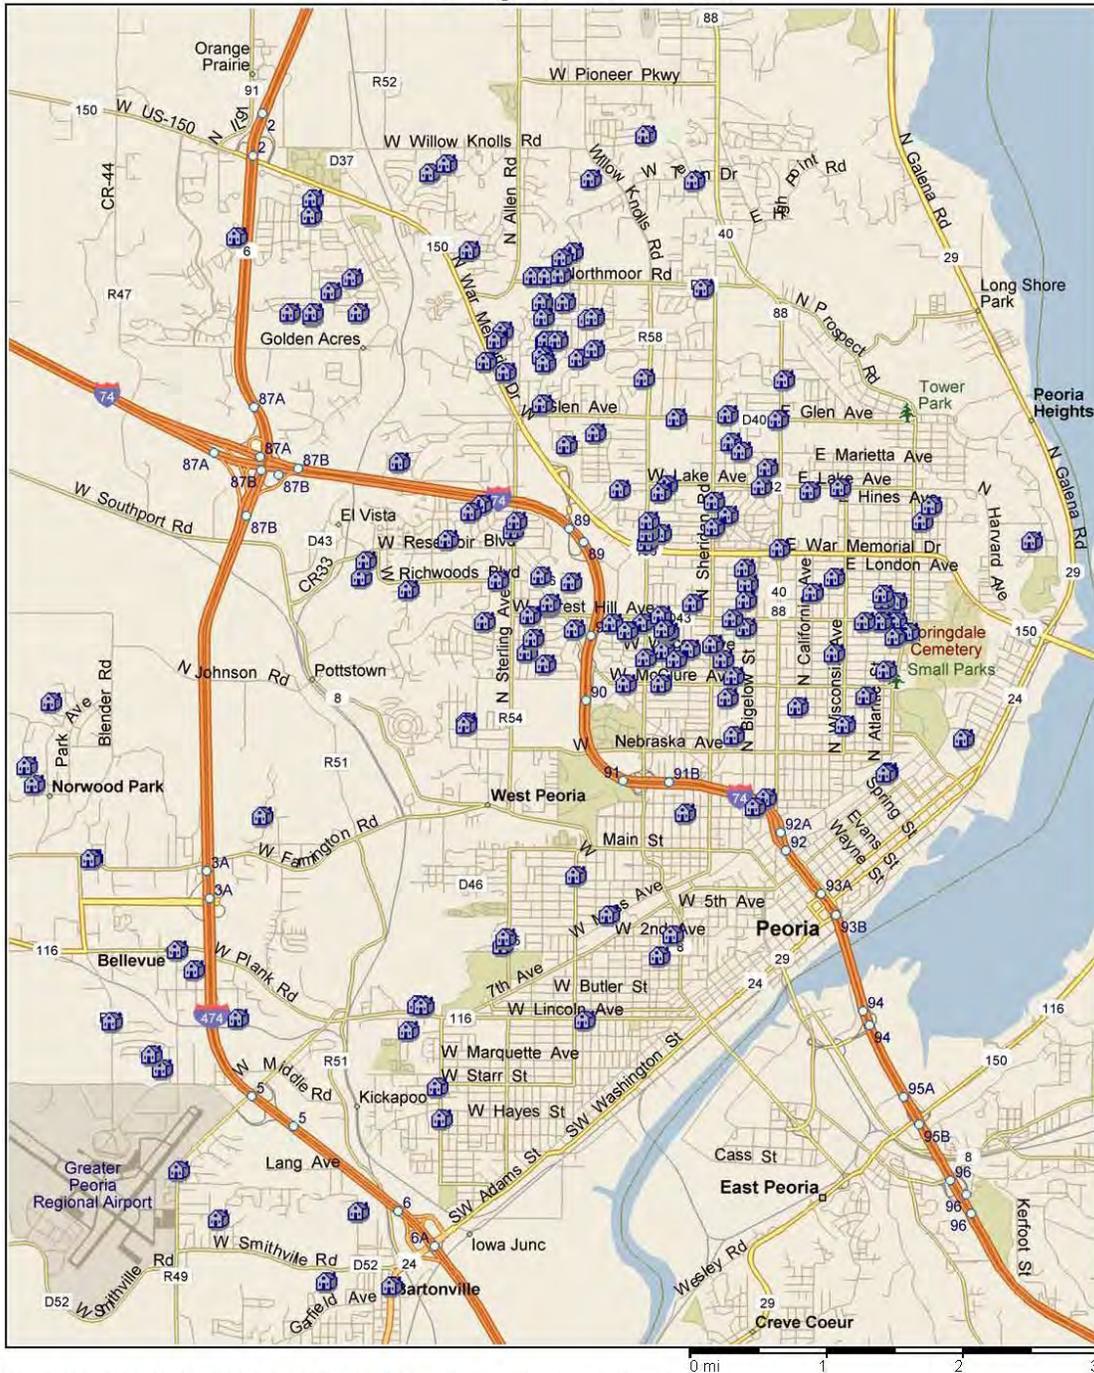

### **Economic Development--2017 City of Peoria Assist Program Report**

Each year the City of Peoria receives an allocation of Private Activity Bonds, known as the Volume Cap, from the State of Illinois for eligible economic development and housing programs. The amount of allocation is calculated by multiplying \$95 by the population of the City of Peoria as listed in the *State of Illinois Guidelines and Procedures for the Allocation of Private Activity Bonding Authority*. In 2017, private activity bonds were ceded to the State of Illinois Assist First Time Homebuyers Program. YR 2017 proved to be a record year for homebuyer's utilization of the downpayment assistance program.

A total of 193 home loans were made to Peoria home buyers totaling more than \$17,836,609 in home sales. Please see pp. 2-7 for a list of 2017 Assist loans and map of homebuyer sales in Peoria.

For more information, contact Leslie L. McKnight, PhD, City of Peoria Economic Development, (309) 494-8651, or [lmcknight@peoriagov.org](mailto:lmcknight@peoriagov.org).

### **Micro-Products Expands to Peoria**

In 2016, the City Council expanded the Peoria Urban Enterprise Zone to include the Studio 29 Building located at 6523 N. Galena Rd. to attract more commercial and manufacturing companies. As part of their company's growth and expansion strategy, Micro-Products is expanding their operations from Bartonville to the Studio 29 location. Micro-Products is a butt, flash, and micro welding company. This expansion will bring 30 professional and manufacturing jobs to Peoria along with plans to grow employment opportunities and operations in the near future.

For more information, contact Leslie L. McKnight, PhD, City of Peoria Economic Development, (309) 494-8651, or [lmcknight@peoriagov.org](mailto:lmcknight@peoriagov.org).

### **City of Peoria Economic Development Incentive Policy Public Input Meetings**

The City of Peoria is seeking public input on a proposed Economic Development Incentive Policy. The City's goal in developing the incentive policy is to leverage private investment to attract, retain, and grow Peoria businesses.

The incentive policy includes information on available economic development programs and services that support Peoria's key industry clusters and regional workforce, advances small and minority businesses, and preserve Peoria's historic and emerging neighborhoods.

The plan was developed with the assistance of economic development stakeholders representing businesses, developers, financial institutions, and other government agencies.

The two public input meetings will be held at the **Gateway Building, 2<sup>nd</sup> Floor, on January 30<sup>th</sup> 6:00 p.m., and January 31<sup>st</sup> 3:00 p.m.**

To review the proposed Economic Development Incentive Policy, go to <http://www.peoriagov.org/economic-development/>

**PeoriaCorps Martin Luther King Jr., Day of Service – Saturday January 13, 2018**

Volunteers from around the city, young and old, came out on Saturday, January 13<sup>th</sup> to participate in PeoriaCorps' 1<sup>st</sup> Annual MLK Jr., Day of Service. PeoriaCorps members designed and sketched five murals on the hallways of Trewyn School. Principal Renee Andrews appreciated the work, stating that it was "So awesome to see the wonderful volunteers who came out to Trewyn for a day of service...the murals are beautiful and so are the hearts of those that served."

The *MLK Day of Service* is a national AmeriCorps event, providing volunteer opportunities for hundreds of thousands of citizens across the country. PeoriaCorps Director Jamila K. Wilson noted, "This is PeoriaCorps' inaugural year and we felt this would be an important opportunity to develop and enhance our corps members' leadership development skills through organizing this day of service for MLK Day".

Dontay Watson, the corps member who designed the murals and lead the service project found multiple benefits from the day. He said, "This was definitely a learning experience. I found out the dos and don'ts of leading a service project, but it's

something I would do again. The volunteers and staff did a great job of painting. Overall it was a good day." Mr. Watson also had the opportunity to his designs, Dr. Sharon Desmoulin-Kherat, Superintendent of Peoria Public Schools.

Trish Williams, a textile artist who relocated to Peoria from Chicago, was one of the volunteers for the day. In addition to being a professional artist, Ms. Williams has extensive experience in arts education. She enjoyed working with all of the young artists, AmeriCorps members and alum, stating "I loved hanging out with them and adding my two-cent to the mural. Great young men and I am glad to have met them."

## **Peoria Public Schools – Update from Superintendent Dr. Sharon Desmoulin-Kherat**

I am fortunate to lead a team of outstanding and dedicated educators. This week I am happy to tell you about four of them.

I recently nominated three Peoria Public School teachers for the national 2018 LifeChanger of the Year award. Sponsored by the National Life Group Foundation, the national LifeChanger of the Year program recognizes and rewards the very best K-12 public and private school educators and employees across the United States who are making a difference in the lives of students by exemplifying excellence, positive influence and leadership.

I nominated Mrs. Hedy Elliott-Gardner, School-within-in-a-School teacher at Lincoln K-8; Ms. Jitske Miedema, Woodruff Career and Technical Center (WCTC) Culinary Arts Teacher, and Mrs. Debra Redington, the dance teacher for the Preparatory School for the Arts (PSA) at Peoria High School.

I nominated these three teachers because their programs are somewhat unique in our district and because all three essentially built those programs from the ground up. Most importantly, I nominated them because one of the criteria for the national LifeChanger Award is to create a nurturing environment for students, and I believe these three teachers do an amazing job in that respect by cultivating caring, respectful relationships with their students.

I invite you to visit [www.peoriapublicschools.org](http://www.peoriapublicschools.org) and follow the link to each nominee's profile on the LifeChanger of the Year website. I think once you read their profiles you will understand why I nominated these teachers. If you know [Mrs. Elliott-Gardner](#), [Chef Jetty](#) or [Mrs. Redington](#), as a friend, colleague or PPS alum, I encourage you to leave your comment of encouragement and support. Support from the community is one consideration in choosing the final LifeChanger of the Year, so please join me in supporting these outstanding educators.

I am also very excited to tell you about Manual Academy science teacher Lori Ettinger. Ettinger has been selected by the Next Generation Science Standards (NGSS) to be a writer for the National Science Test – only one of 19 U.S. educators selected and the only teacher from Illinois. NGSS is charged with upgrading national science standards to reflect major scientific advances and greater understanding of children's cognitive development and the learning process. Ettinger has served as an Illinois Science Assessment Grader for the past two years, grading over 22,000 test items from middle and high school students. Now, Ettinger will take the next step in her professional development and become a test writer, writing questions describing science-related scenarios with a list of accompanying questions.

Current national science standards are based on the National Science Education Standards from the National Research Council and Benchmarks for Science Literacy from the American Association for the Advancement of Science. The current standards have been in use for 15 years. The National Research Council created NGSS to develop standards reflecting major scientific advances as well as greater understanding of students' cognitive development and the learning process.

Peoria Public School students and families are so fortunate to have outstanding teachers such as these and many, many more to guide our children to a successful future.
