CITY OF PEORIA

The City of Peoria's trash and recycling collection program officially starts next week on Monday, January 7, 2019. Based on feedback from residents, updates have been made to the trash and recycling programs. Overall, the biggest updates to the program are that many residents will have a new pickup day and recycling will now be picked up every other week, on the same day as your trash pickup. City of Peoria residents should have received a postcard last month listing their new pickup day.

Two-thirds of the residents in the City of Peoria will have new collection days starting January 7, 2019. Trash pickup will still be weekly and residents should continue to bag trash before placing it in the cart and set the cart out by 6:00 a.m. on their pickup day.

For residents that are signed up and have received their new cart, there are two recycling schedules in place – A and B. Residents on Schedule A can set out their recycling cart on their weekly pickup day, starting Monday, January 7, 2019 and residents on Schedule B can set out their recycling cart starting on Monday, January 14, 2019. After that, recycling pickup will be every other week.

The City has been thrilled with the response to increased recycling with almost 3,000 residents signing up since the announcement was made in October 2018. There is no more deposit required and residents are able to sign up for free to receive their recycling cart.

To learn pickup day and recycling schedule, or to sign up for recycling, visit www.PeoriaPicksUp.com or call PDC at (309) 674-5176, option 1. The Peoria Picks Up website also has information about trash, yard waste, and other disposal options, and a blog to subscribe and receive frequent program updates.

City of Peoria Christmas Tree Collection

Collection of real Christmas trees is provided to City of Peoria residents as part of their normal trash collection service with no request required for special pickup.

Residents can place Christmas trees next to the trash cart on their regular collection day by 6:00 a.m. All lights and ornaments need to be removed as a safety precaution and residents are encouraged to bag their tree. If the tree is oversized, cut the tree in half. Christmas trees are not considered landscape waste

so it will go into the landfill. Environmentally-conscious residents need to make other arrangements to dispose or recycle their trees.

For more information, go to www.pdcarea.com or call Peoria Disposal Company (PDC) at (309) 674-5176, extension 1

Community Development 2019 Neighborhood Reception

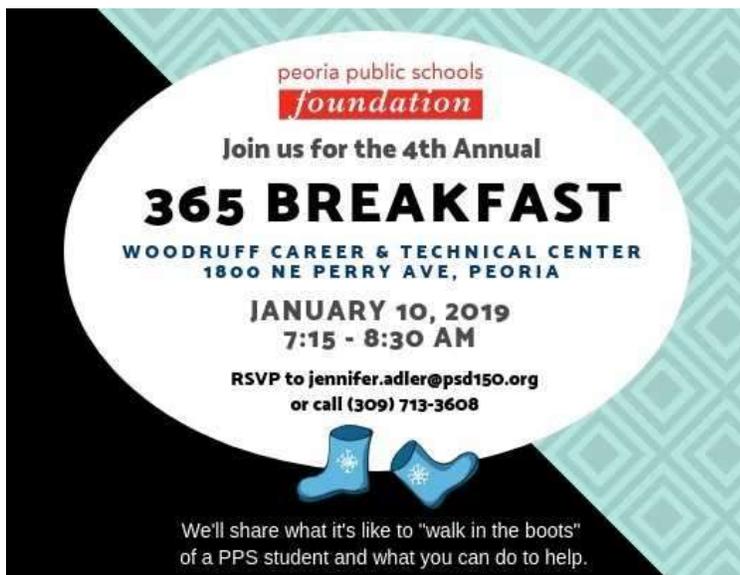

On Thursday, February 21st, the City of Peoria will host the 2019 Neighborhood Reception at the Carver Community Center, 710 W Percy Baker Jr Ave, Peoria, IL 61605, from 6:00 p.m. to 7:30 p.m. The public is invited to attend this evening of entertainment, refreshments, and fun to honor neighborhood leaders.

This free event will celebrate the accomplishments of neighborhood associations and community advocates who have worked diligently with their neighbors, the City of Peoria, and the community at large to improve the quality of life in Peoria. The reception is a time for neighbors to share the things that make us all "Appreciate Peoria". This inaugural event will rotate to different locations throughout the City of Peoria in the years to come, highlighting the entire community.

The Community Development Department is now accepting nominations for the 2018 Award Recipients. A nomination form can be found online at www.appreciatepeoria.com. Citizens are encouraged to read the criteria and download the nomination form to nominate a neighborhood leader they think is deserving. Nomination forms can be submitted to Neighborhood Enhancement Coordinator, Josiah Williams at jwilliams@peoriagov.org. In addition, a nomination form is attached to the press release. Nominations will be accepted through the end of January.

A pdf of the nomination form can be found [HERE](#)
