

## LEGAL NOTICE

### **ADVERTISEMENT FOR BIDS**

NOTICE IS HEREBY GIVEN that sealed proposals will be received at the Office of the City Engineer, Public Works Facility, 3505 N. Dries Lane, Peoria, Illinois, until 10:00 AM Tuesday May 10, 2022, for the proposed project officially known as **Culvert Replacement for East Branch of Dry Run Creek at W. Merle Lane**, at which time said proposals will be publicly opened and read.

The proposed improvement consists of removing the existing corrugated metal pipe drainage structure where Merle Lane crosses the East Branch of Dry Run Creek, constructing a precast three sided structure, placement of permanent erosion control/armoring, and relocating sanitary sewer lines.

Plans, proposal forms and specifications for the proposed project may be examined at the Office of the City Engineer, Public Works Facility, 3505 North Dries Lane, Peoria, IL. Before plans and specifications may be obtained, contractors must be pre-qualified. Complete sets of plans and proposal forms may be obtained electronically by emailing a request for plans to [pwdropbox@peoriagov.org](mailto:pwdropbox@peoriagov.org). All proposals must be accompanied by cash, certified check, cashier's check, or a bid bond for not less than five percent (5%) of the amount of the bid. The successful bidder will be required to furnish a satisfactory Performance Bond for the full amount of the contract, with sureties, to be approved by the City Stormwater Engineer. **Compliance with the Illinois Prevailing Wage Act is required under this contract.**

The City of Peoria reserves the right to waive technicalities and to reject any or all proposals.

#### **CITY OF PEORIA**

Andrea Klopfenstein, City Engineer
