

LEGAL NOTICE

ADVERTISEMENT FOR BIDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received at the Office of the City Stormwater Engineer, Public Works Facility, 3505 N. Dries Lane, Peoria, Illinois, until **2:00 P.M., Tuesday, July 21, 2020**, for the proposed project officially known as **Glen Avenue and Sheridan Road Culvert Project**, at which time said proposals will be publicly opened and read.

The proposed improvement consists of installing 243 linear feet of 72" diameter culvert pipe to carry flow of Dry Run Creek Tributary C under public streets and developed property at the Northwest corner of Glen Avenue and Sheridan Road. The work includes abandonment of existing pipes that previously carried the stream flow and restoration of the surface conditions within the construction area.

Plans, proposal forms and specifications for the proposed project may be examined at the Office of the City Stormwater Engineer, Public Works Facility, 3505 North Dries Lane, Peoria, IL. Before plans and specifications may be obtained, contractors must be pre-qualified. Complete sets of plans and proposal forms may be obtained electronically by emailing a request for plans to pwdropbox@peoriagov.org. All proposals must be accompanied by cash, certified check, cashier's check or a bid bond for not less than five percent (5%) of the amount of the bid. The successful bidder will be required to furnish a satisfactory Performance Bond for the full amount of the contract, with sureties, to be approved by the City Stormwater Engineer. **Compliance with the Illinois Prevailing Wage Act is required under this contract.**

The City of Peoria reserves the right to waive technicalities and to reject any or all proposals.

CITY OF PEORIA

Andrea Klopfenstein, City Stormwater Engineer
