ADVERTISEMENT FOR BIDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received at the Office of the City Engineer, Public Works Facility, 3505 N. Dries Lane, Peoria, Illinois, until 2:00 pm Thursday, March 23, 2023, for the proposed project officially known as Culvert Replacement Tributary C under Glen Avenue, at which time said proposals will be publicly opened and read.

The project consists of removing 97 linear feet of 5 foot wide by 6 foot tall, reinforced concrete box culvert and constructing a new box culvert of the same dimensions in roughly the same location. The new construction uses a combination of cast in place reinforced concrete construction and precast sections. Pavement removal and replacement, protection of existing utilities, and traffic management are required to accomplish the work.

Plans, proposal forms and specifications for the proposed project may be examined at the Office of the City Engineer, Public Works Facility, 3505 North Dries Lane, Peoria, IL. Before plans and specifications may be obtained, contractors must be pre-qualified. Complete sets of plans and proposal forms may be obtained electronically by emailing a request for plans to pwdropbox@peoriagov.org. All proposals must be accompanied by cash, certified check, cashier's check, or a bid bond for not less than five percent (5%) of the amount of the bid. The successful bidder will be required to furnish a satisfactory Performance Bond for the full amount of the contract, with sureties, to be approved by the City Engineer. **Compliance with the Illinois Prevailing Wage Act is required under this contract.**

The City of Peoria reserves the right to waive technicalities and to reject any or all proposals.
