ADVERTISEMENT FOR BIDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received at the Office of the City Engineer, Public Works Facility, 3505 N. Dries Lane, Peoria, Illinois, until 10:00 am Tuesday, November 21, 2023, for the proposed project officially known as Drainage Repair Annual Contract, at which time said proposals will be publicly opened and read.

The project work consists of inspecting, repairing, and replacing storm drainage infrastructure at locations as directed by the Owner's Representative. Work will include new storm sewer pipe, manholes, inlets, cured-in-place pipe lining, curb and gutter, slope stabilization, retaining walls, and erosion control practices. Site restoration shall include pavement replacement, topsoil placement, sodding, seeding, fertilizing, and mulching at locations as directed by the Owner's Representative.

Plans, proposal forms and specifications for the proposed project may be examined at the Office of the City Engineer, Public Works Facility, 3505 North Dries Lane, Peoria, IL. Before plans and specifications may be obtained, contractors must be pre-qualified. Complete sets of plans and proposal forms may be obtained electronically by emailing a request for plans to pwdropbox@peoriagov.org. All proposals must be accompanied by cash, certified check, cashier's check, or a bid bond for not less than five percent (5%) of the amount of the bid. The successful bidder will be required to furnish a satisfactory Performance Bond for the full amount of the contract, with sureties, to be approved by the City Engineer. **Compliance with the Illinois Prevailing Wage Act is required under this contract.**

The City of Peoria reserves the right to waive technicalities and to reject any or all proposals.
