

## LEGAL NOTICE

### **ADVERTISEMENT FOR BIDS**

NOTICE IS HEREBY GIVEN that sealed proposals will be received at the Office of the City Engineer, Public Works Facility, 3505 N. Dries Lane, Peoria, Illinois, until 10:00 am Tuesday, November 21, 2023, for the proposed project officially known as Storm Sewer Cleaning and Inspection, at which time said proposals will be publicly opened and read.

The project consists of cleaning and flushing 58,000 feet of pipes, pipe condition assessment using closed circuit television (CCTV) to inspect storm sewer pipes, manhole and inlet condition assessment, and delivering reports of inspections and results. The standard evaluation process developed by the National Association of Sewer Service Companies (NASSCO) shall be used for this project.

Plans, proposal forms and specifications for the proposed project may be examined at the Office of the City Engineer, Public Works Facility, 3505 North Dries Lane, Peoria, IL. Before plans and specifications may be obtained, contractors must be pre-qualified. Complete sets of plans and proposal forms may be obtained electronically by emailing a request for plans to [pwdropbox@peoriagov.org](mailto:pwdropbox@peoriagov.org). All proposals must be accompanied by cash, certified check, cashier's check, or a bid bond for not less than five percent (5%) of the amount of the bid. The successful bidder will be required to furnish a satisfactory Performance Bond for the full amount of the contract, with sureties, to be approved by the City Engineer. **Compliance with the Illinois Prevailing Wage Act is required under this contract.**

The City of Peoria reserves the right to waive technicalities and to reject any or all proposals.
