Firms must be prequalified by the Illinois Department of Transportation (IDOT) under the Transportation Studies-Railway Engineering or Transportation Studies-Railway Planning categories.

For the purpose of this RFQ “City” means the City of Peoria and “Firm” means the engineering firm or individual submitting a response to this RFQ. Qualified Firms shall provide services based on the project scope and submittal requirements sections provided below.

The City of Peoria’s Engineering Division will accept sealed proposals submitted to the Office of the City Engineer, Public Works Building, 3505 N Dries Lane, Peoria, Illinois, 61604, until **11:00 am Wednesday, March 13, 2024**, for establishing a contract with a qualified firm.

Time is of the essence and any Statement of Interest and Qualifications received after the announced time and date for submittal, whether by mail or otherwise, will be rejected and return unopened. Firms are responsible for ensuring that a Public Works Administrative Assistant receives their Statements before the deadline indicated. Firms should submit **six (6) hard copies and one (1) electronic copy (USB or Similar)** of a Statement of Interest and Qualifications. E-mail submittals will not be accepted.

1.0 INTRODUCTION

The City of Peoria requires preliminary engineering services to develop a Service Development Plan (SDP), known in the Corridor Identification and Development Program as Step 1. Included are Task 1: Step 1 Project Administration and Management, Task 2: Step 2 Statement of Work (SOW), approved project budget and approved project schedule. For more detailed information including subtasks refer to Attachment 2: Project-Specific Terms in the appendix section.

The City’s intention is to award a contract for these services to the best-qualified firm. Each firm will be considered and ranked by a Selection Committee based upon the criteria listed herein. The City will then enter into negotiations with the top-ranked firm. The negotiations will be to establish a detailed scope of services and total cost for services. Should the top-ranked firm and the City of Peoria not be able to reach an agreement, the City will terminate negotiations with that team and open negotiations with the second ranked team and so on until a successful agreement is reached.

This process does not obligate the City to award a contract, or pay any cost incurred in the preparation of the firms responding to this request. The City reserves the right to accept or reject any or all statements received as a result of this request. All information submitted in response to this request will become the property of

the City.

Please be aware that it is the City's policy to not compensate a consultant for any time or expenses incurred during the selection and negotiation processes.

2.0 PROJECT DESCRIPTION

2.1 PROJECT NEED, PURPOSE, AND OBJECTIVE

The objective of this project is to develop a Service Development Plan (SDP), known in the Corridor Identification and Development Program as Step 1 to bring passenger rail from downtown Peoria to Chicago Union Station which will connect with Amtrak's rail network via a new connection. The new corridor would provide service for round trips daily to serve Peoria, Peru/LaSalle, Ottawa, Morris, Joliet and CUS, with a flag stop at Utica for Starved Rock State Park. The city of Peoria received funding to complete step 1 of the Corridor Identification and Development Program from the Federal Railroad Administration (FRA).

2.2 PROJECT COMPONENTS

2.2.1 GENERAL SCOPE OF SERVICES

The project scope will compile a Federal Railroad Administration approved Service Development Plan (SDP), known in the Corridor Identification and Development Program as Step 1 by completing a detailed financial estimate and schedule. Subtask 1.2: Step 1 Project Management Plan

The Recipient will prepare a Project Management Plan (PMP) for Step 1 that describes how the Project will be implemented and monitored to ensure effective, efficient, and safe delivery of the Project on time and within budget. The PMP will describe the activities and steps necessary to complete the tasks outlined in this Statement of Work.

The PMP will include a Project Schedule and Project Budget for the work to be performed under this Agreement. The Project Schedule will be consistent with the Estimated Project Schedule in Section 5.2 of Attachment 2, but provide a greater level of detail. Similarly, the Project Budget should be consistent with the Approved Project Budget in Section 6.5 of Attachment 2, but provide a greater level of detail.

The Recipient will submit the PMP to FRA for review and approval. The Recipient will implement the Project as described in the approved PMP. The Recipient will not begin work on subsequent tasks until FRA has provided written approval of the PMP, unless FRA has provided pre-award authority for such work under Section 6.6 of this Attachment 2. FRA will not reimburse the Recipient for costs incurred in contravention of this requirement.

FRA may require the Recipient to update the PMP. The Recipient will submit any such updates to FRA for review and approval, and FRA will determine if updates to the PMP require an amendment to this Agreement. The Project Budget and Project Schedule may be revised consistent with Article 5 of Attachment 1 of this Agreement without amending this Agreement.

Subtask 1.3: Project Closeout

The Recipient will submit a Final Performance Report as required by Section 7.2 of Attachment 1 of this Agreement, which should describe the cumulative activities of the Project, including a complete description of the Recipient's achievements with respect to the Project objectives and milestones.

Task 2: STEP 2 Statement of Work (SOW), approved project budget, and approved project schedule.

The Recipient will prepare a SOW, Project Budget, and Project Schedule for Step 2 of the CID Program. The Step 2 SOW will include the tasks required for preparing a new or updating an existing SDP for the corridor. A Step 2 SOW Framework document is available for the Recipient to reference in preparing the SOW1.

The Step 2 SOW Framework document includes instructions to help the Recipient understand the intent of the tasks associated with the SDP and to tailor the SOW to the specific and unique circumstances of the individual corridor. The document provides a comprehensive description of tasks and subtasks that may be required to prepare a new or update an SDP.

Subtask 2.1: Existing Planning and Development Materials

The Recipient will provide FRA with existing materials of planning and development efforts in support of the corridor that may fulfill the SDP requirements as described in 49 U.S.C. § 25101(d) and identified in the CID Program Step 2 Draft Statement of Work Framework. The existing materials may include, but are not limited to, prior SDPs, reports, data, memoranda, Geographical Information Systems (GIS) data, analyses, correspondence, and/or prior NEPA documentation. The Recipient will provide documentation on both methodologies and completed analyses from any relevant prior efforts.

¹ https://railroads.dot.gov/sites/fra.dot.gov/files/2023-08/CIDP%20Step%202_SDP_SOW_Template_Draft_082224_PDFa.pdf

The Recipient will provide an annotated list, based on an index provided by FRA, of the materials including a brief summary of the principal conclusions from the work already completed. The annotated list should demonstrate how work already completed fulfills the corresponding requirement of the SDP. The Recipient will coordinate with FRA to support the FRA's review and understanding of the materials. FRA will review these materials to support the review of the SOW for the SDP. FRA maintains the discretion to determine whether existing materials fulfill the objectives of the SDP.

Subtask 2.2: Statement of Work

The Recipient will submit a Draft Step 2 SOW to FRA for review. FRA will review and coordinate with the Recipient to revise as needed. Upon addressing all comments from FRA, the Recipient will submit a Final Step 2 SOW. Upon FRA review and acceptance of the Final Step 2 SOW, the Step 2 SOW will be used in preparing a Grant Agreement for Step 2 of the CID Program.

Subtask 2.3: Project Schedule

The Recipient will submit a Draft Project Schedule for completing the Step 2 SOW for FRA for review. FRA will review and coordinate with the Recipient to revise as needed. Upon addressing all comments from FRA, the Recipient will submit a Final Project Schedule. Upon FRA review and acceptance, the Approved Project Schedule will be used in preparing a Grant Agreement for Step 2 of the CID Program.

Subtask 2.4: Project Budget

The Recipient will submit a Draft Project Budget for completing the Step 2 SOW to FRA for review. The Draft Project Budget will present the estimated cost for each task and subtask within the Step 2 SOW including the breakdown of FRA and Non-Federal Contributions including the sources of Non-Federal Contributions. FRA will review and coordinate with the Recipient to revise as needed. Upon addressing all comments from FRA, the Recipient will submit a Final Step 2 Project Budget. Upon FRA review and approval, the Approved Project Budget will be used in preparing a Grant Agreement for Step 2 of the CID Program.

ARTICLE 4: STATEMENT OF WORK

4.1 General Project Description

Instructions: Provide a concise description of the Project funded under this Agreement. Section 4.1 should state the objective of the Project and the benefits that the Project is intended to achieve. Project objectives and benefits inform—and should be consistent with—the Performance Measures in Article 7 of this Attachment 2, Performance Measurement Information.

Objective:

The objective of this Project is to bring passenger rail from downtown Peoria to Chicago Union Station (CUS) which will connect with Amtrak’s rail network via a new connection somewhere on the Metra RI district. The new corridor would provide service for round trips daily to serve Peoria, Peru/LaSalle, Ottawa, Morris, Joliet and CUS, with a flag stop at Utica for Starved Rock State Park. Under the Corridor ID program structure, this agreement is to complete Step 1 of the Corridor ID program to develop a Step 2 Statement of Work (SOW), Project Budget, and Project Schedule to develop a Service Development Plan (SDP) in Step 2 of the program.

NOT INTENDED FOR EXECUTION WITHOUT MODIFICATION

Benefits:

The main goal of the Peoria to Chicago Passenger Rail Project is to provide for an alternative mode of travel to a large segment of Central Illinois that currently has no access to passenger or commuter rail. The proposed Corridor involves the counties of Peoria, Tazewell, Marshall, Putnam, Bureau, LaSalle, Grundy, Will, and Cook in the State of Illinois. New stations are proposed for the communities of Peoria, LaSalle-Peru, a flag stop at Utica for Starved Rock State Park, Ottawa, and Morris, along with connections in Joliet and Chicago Union Station.

Development of this Corridor addresses existing barriers to opportunities through enhanced geographic and economic diversity, reduced auto dependency, supportive of transit-oriented development, and expanded employment opportunities to the cities along the Corridor. Overall Corridor benefits are expected to include supporting economic vitality of local businesses, expanding multi-modal travel options, and enhancing competitiveness of rail travel, all of which can lead to enhanced regional equity and geographic diversity. Specific benefits are anticipated to include travel time savings, vehicle operating cost savings, and accident reduction, along with non-quantifiable benefits, such as transportation diversity, economic input due to the vast construction dollars introduced to the local economy, appreciation of commercial property values at and around stations, job creation in area around stations, and livability and equity due to the extended access to employment centers and medical service.

The Corridor would provide direct connections to the Amtrak national rail system. Chicago Union Station (CUS) is the center of Amtrak's national system. Connecting to CUS would create benefits for other passenger rail routes across the Midwest, including the existing four Amtrak routes operating in Illinois and national Amtrak routes.

4.2 Project Location

Instructions: Provide information related to the geographic scope of the project, as well as identify important related intercity corridors or service. The project location should be specific and detailed, including GPS location(s) and mileposts where possible. Planning projects should identify the study area and provide a map identifying, at a minimum, the major markets intended to be served. If the project route has been determined, the Recipient will identify any relevant host railroads.

This new Peoria to Chicago passenger locally preferred corridor can be described as the 1937-1978 former Rock Island Peoria Rocket passenger route. It will originate in downtown Peoria and will terminate at Chicago Union Station (CUS) to connect with Amtrak's rail network via a new connection at a point to be determined on the Metra Rock Island district. This corridor would bring passenger rail service to other communities including LaSalle-Peru (commonly known as), Ottawa, and Morris, that currently do not have rail service as a transportation option. The City of Peoria, the 8th largest city in Illinois by population, is the largest metropolitan area in the state without passenger rail service. Currently the railroads involved are the Tazewell & Peoria Railroad, the Iowa Interstate Railroad, CSX Transportation (CSX), Metra, and Amtrak (CUS). The new corridor would provide service for 5 round trips daily to serve Peoria, LaSalle-Peru, Ottawa, Morris, Joliet and CUS, with a flag stop at Utica for Starved Rock State Park.

4.3 Project Scope

The project scope will compile an FRA approved Service Development Plan (SDP) (known in the CID Program as Step 1) by completing a detailed financial estimate and schedule to perform the following:

Instructions: In this Section, divide the Project scope into discrete and delineable tasks. If the project funded under this agreement is part of a larger effort, describe that larger effort, but link tasks

NOT INTENDED FOR EXECUTION WITHOUT MODIFICATION

specifically to the FRA-funded portion of the Project. Clearly define the work to be performed in each task and be sure tasks are linked to deliverables and incorporated into the Project Schedule.

The Recipient will notify FRA in writing of any requested changes in Project Scope and will not proceed with the changed scope unless approved by FRA in writing. If approved, changes to Project Scope may require additional environmental review or an amendment to this Agreement.

Task 1: Step 1 Project Administration and Management

Subtask 1.1: Project Administration

Instructions: *Identify all Project partners and other entities responsible for implementing the Project. Identify all actions the Recipient will perform to ensure the effective management and oversight of the Project*

The Recipient will perform all tasks required for the Project through a coordinated process, which will involve affected railroad owners, operators, and funding partners, including:

- Funding Partners
 - FRA
 - Illinois Department of Transportation (IDOT)

 - Tri-County Regional Planning Commission
 - North Central Illinois Council of Governments
- Railroad Owners and operators
 - Iowa Interstate Railroad
 - CSX Transportation (CSX)
 - Tazewell and Peoria Railroad (TZPR)
 - Metra
 - Amtrak

The Recipient will facilitate the coordination of all activities necessary for implementation of the Project. The Recipient will:

- complete necessary steps to hire a qualified consultant/contractor to perform required Project work, as necessary;
- execute on the approved Project Management Plan required in Subtask 1.2;

- participate in other coordination, as needed.

NOT INTENDED FOR EXECUTION WITHOUT MODIFICATION**Subtask 1.2: Step 1 Project Management Plan**

The Recipient will prepare a Project Management Plan (PMP) for Step 1 that describes how the Project will be implemented and monitored to ensure effective, efficient, and safe delivery of the Project on time and within budget. The PMP will describe the activities and steps necessary to complete the tasks outlined in this Statement of Work.

The PMP will include a Project Schedule and Project Budget for the work to be performed under this Agreement. The Project Schedule will be consistent with the Estimated Project Schedule in Section 5.2 of Attachment 2, but provide a greater level of detail. Similarly, the Project Budget should be consistent with the Approved Project Budget in Section 6.5 of Attachment 2, but provide a greater level of detail.

The Recipient will submit the PMP to FRA for review and approval. The Recipient will implement the Project as described in the approved PMP. The Recipient will not begin work on subsequent tasks until FRA has provided written approval of the PMP, unless FRA has provided pre-award authority for such work under Section 6.6 of this Attachment 2. FRA will not reimburse the Recipient for costs incurred in contravention of this requirement.

FRA may require the Recipient to update the PMP. The Recipient will submit any such updates to FRA for review and approval, and FRA will determine if updates to the PMP require an amendment to this Agreement. The Project Budget and Project Schedule may be revised consistent with Article 5 of Attachment 1 of this Agreement without amending this Agreement.

Subtask 1.3: Project Closeout

The Recipient will submit a Final Performance Report as required by Section 7.2 of Attachment 1 of this Agreement, which should describe the cumulative activities of the Project, including a complete description of the Recipient's achievements with respect to the Project objectives and milestones.

1.1	1.2	Project Management Plan
1.2	1.3	Final Performance Report

Task 2: STEP 2 STATEMENT OF WORK (SOW), APPROVED PROJECT BUDGET, AND APPROVED PROJECT SCHEDULE

The Recipient will prepare a SOW, Project Budget, and Project Schedule for Step 2 of the CID Program. The Step 2 SOW will include the tasks required for preparing a new or updating an existing SDP for the

NOT INTENDED FOR EXECUTION WITHOUT MODIFICATION

corridor. A Step 2 SOW Framework document is available for the Recipient to reference in preparing the SOW².

The Step 2 SOW Framework document includes instructions to help the Recipient understand the intent of the tasks associated with the SDP and to tailor the SOW to the specific and unique circumstances of the individual corridor. The document provides a comprehensive description of tasks and subtasks that may be required to prepare a new or update an SDP.

Subtask 2.1: Existing Planning and Development Materials

The Recipient will provide FRA with existing materials of planning and development efforts in support of the corridor that may fulfill the SDP requirements as described in 49 U.S.C. § 25101(d) and identified in the CID Program Step 2 Draft Statement of Work Framework. The existing materials may include, but are not limited to, prior SDPs, reports, data, memoranda, Geographical Information Systems (GIS) data, analyses, correspondence, and/or prior NEPA documentation. The Recipient will provide documentation on both methodologies and completed analyses from any relevant prior efforts.

The Recipient will provide an annotated list, based on an index provided by FRA, of the materials including a brief summary of the principal conclusions from the work already completed. The annotated list should demonstrate how work already completed fulfills the corresponding requirement of the SDP. The Recipient will coordinate with FRA to support the FRA's review and understanding of the materials. FRA will review these materials to support the review of the SOW for the SDP. FRA maintains the discretion to determine whether existing materials fulfill the objectives of the SDP.

Subtask 2.2: Statement of Work

The Recipient will submit a Draft Step 2 SOW to FRA for review. FRA will review and coordinate with the Recipient to revise as needed. Upon addressing all comments from FRA, the Recipient will submit a Final Step 2 SOW. Upon FRA review and acceptance of the Final Step 2 SOW, the Step 2 SOW will be used in preparing a Grant Agreement for Step 2 of the CID Program.

Subtask 2.3: Project Schedule

The Recipient will submit a Draft Project Schedule for completing the Step 2 SOW for FRA for review. FRA will review and coordinate with the Recipient to revise as needed. Upon addressing all comments from FRA, the Recipient will submit a Final Project Schedule. Upon FRA review and acceptance, the Approved Project Schedule will be used in preparing a Grant Agreement for Step 2 of the CID Program.

Subtask 2.4: Project Budget

The Recipient will submit a Draft Project Budget for completing the Step 2 SOW to FRA for review. The Draft Project Budget will present the estimated cost for each task and subtask within the Step 2 SOW including the breakdown of FRA and Non-Federal Contributions including the sources of Non-Federal Contributions. FRA will review and coordinate with the Recipient to revise as needed. Upon addressing all comments from FRA, the Recipient will submit a Final Step 2 Project Budget. Upon FRA review and

ARTICLE 8: ENVIRONMENTAL COMPLIANCE

In accordance with the National Environmental Policy Act (NEPA; 42 U.S.C. § 4321 et seq.), other environmental statutes, related regulatory requirements, and FRA's NEPA-implementing regulations (23 C.F.R. part 771), FRA has determined that the actions funded under this Agreement as described in this Attachment 2, Section 4.3, Tasks 1 and 2, are categorically excluded from detailed environmental review pursuant to 23 C.F.R. § 771.116 (c)(1) and (3). In accordance with Section 106 of the National Historic Preservation Act (54 U.S.C. § 306108; 36 C.F.R. part 800), FRA has also determined that the actions funded under this Agreement have no potential to cause effects to historic properties. The actions do not require the use of property protected by Section 4(f) of the Department of Transportation Act (49 U.S.C. § 303; 23 C.F.R. part 774).

NOT INTENDED FOR EXECUTION WITHOUT MODIFICATION

Categorical exclusions (CEs) are actions identified in an agency’s NEPA-implementing procedures that do not normally have a significant impact on the environment and therefore do not require either an environmental assessment (EA) or environmental impact statement (EIS). See 40 C.F.R. § 1508.1(d). In analyzing the applicability of a CE, FRA also considered whether unusual circumstances are present that would warrant a more detailed environmental review through the preparation of an EA or EIS. In accordance with 23 C.F.R. § 771.116 (a) and (b), FRA has further concluded that no unusual circumstances exist with respect to development of the activities funded under this grant that might trigger the need for a more detailed environmental review.

Should conditions or the scope of the action change, the Recipient must notify FRA and receive written response and notice to proceed before proceeding. FRA will evaluate whether this determination remains applicable or if additional environmental review is necessary.

ARTICLE 9: CLIMATE CHANGE AND ENVIRONMENTAL JUSTICE IMPACTS

9.1 Consideration of Climate Change and Environmental Justice Impacts

Instructions: Insert an “X” in the left column in all applicable rows of the table below. For each row marked, follow the relevant instructions to complete the supporting narrative in Section 9.2 of this Attachment 2. FRA expects the Recipient to mark at least one row in Section 9.1, 10.1, or 11.1 of this Attachment 2. FRA will work with the Recipient prior to obligation to understand and document the how the Recipient has or will consider climate change and environmental justice impacts in developing and implementing the Project.

This Section identifies how the Project addresses climate change and environmental justice priorities. The Recipient certifies that rows marked with “X” in the following table are accurate:

NOT INTENDED FOR EXECUTION WITHOUT MODIFICATION

environmental justice occurs within this Agreement. However, the future efforts of the Project supports shifting passengers from vehicles trips between Peoria-LaSalle-Chicago to passenger rail trips. Shifting trips to passenger rail will reduce demand and emissions from vehicles traveling between these destinations for business, medical or leisure reasons because less vehicles will be on the roads. The new passenger rail trips will move along an existing, underutilized rail corridor between Peoria and Morris. The existing corridor will be improved to increase reliability, speeds and bring crossings and bridges to a state of good repair. Additionally, in many of the station communities, abandoned or underutilized structures will be transformed into a modern train station. These efforts will bring more activity to the downtown business districts of Peoria, LaSalle/Peru, Utica, Ottawa, and Morris and makes these communities more vibrant.

ARTICLE 10: RACIAL EQUITY AND BARRIERS TO OPPORTUNITY

10.1 Efforts to Improve Racial Equity and Reduce Barriers to Opportunity

Instructions: Insert an "X" in the left column in all applicable rows of the table below. For each row marked, follow the relevant instructions to complete the supporting narrative in Section 10.2 of this Attachment 2. FRA expects the Recipient to mark at least one row in Section 9.1, 10.1, or 11.1 of this Attachment 2. FRA will work with the Recipient prior to obligation to help the Recipient understand and document the how the Recipient has or will consider efforts to improve racial equity and reduce barriers to opportunity in developing and implementing the Project.

This Section identifies how the Project addresses efforts to improve racial equity and reduce barriers to opportunity. The Recipient certifies that rows marked with "X" in the following table are accurate:

X	The Recipient or a Project partner has adopted an equity and inclusion program/plan or has otherwise instituted equity-focused policies related to project procurement, material sourcing, construction, inspection, hiring, or other activities designed to ensure racial equity in the overall delivery and implementation of the Project. <i>(Identify the relevant programs, plans, or policies in the supporting narrative below.)</i>
	The Project includes physical-barrier-mitigating land bridges, caps, lids, linear parks, and multimodal mobility investments that either redress past barriers to opportunity or that proactively create new connections and opportunities for underserved communities that are underserved by transportation. <i>(Identify the relevant investments in the supporting narrative below.)</i>

NOT INTENDED FOR EXECUTION WITHOUT MODIFICATION

	The Project includes new or improved walking, biking, and rolling access for individuals with disabilities, especially access that reverses the disproportional impacts of crashes on people of color and mitigates neighborhood bifurcation. <i>(Identify the new or improved access in the supporting narrative below.)</i>
	The Project includes new or improved freight access to underserved communities to increase access to goods and job opportunities for those underserved communities. <i>(Identify the new or improved access in the supporting narrative below.)</i>
	The Recipient has taken other actions related to the Project to improve racial equity and reduce barriers to opportunity. <i>(Describe those actions in the supporting narrative below.)</i>
	The Recipient has not yet taken actions related to the Project to improve racial equity and reduce barriers to opportunity but, before beginning construction of the Project, the Recipient will take relevant actions described below to improve racial equity and reduce barriers to opportunity. <i>(Identify the relevant actions in the supporting narrative below.)</i>

Step 1 of the Corridor ID program serves as the planning effort for the prospective Peoria to Chicago Passenger Rail Service project. As such, no actions have been taken for the creation of good-paying jobs at this stage. However, before beginning construction of the Project, the City of Peoria will work with the Illinois Department of Transportation’s (IDOT) Illinois Works Job Program to hire trainees and apprentices for the construction of projects.

The Recipient will also ensure fair and equitable hiring practices and workforce development through the City of Peoria Equal Opportunity Office (EOO), which mandate requirements related to City hiring practices as well as the procurement of consultant and construction firms. Compensation may be negotiated as a not-to-exceed price on a per-project basis.
- 3.4. Projects to be partially or entirely paid with Motor Fuel Taxes (MFT) dispersed by the Illinois of Transportation (IDOT) will require compliance with IDOT's MFT policies. This will include using form BLR 05530, or successor forms as amended by IDOT, as the documentation. Projects not utilizing MFT or Federal Funds will be of a form acceptable to both parties.
- 3.5. The invoice must describe the Services rendered and must reference the date of the Services, the person performing each Service, and the fee for each time Service is rendered and for each type of Service rendered.

- 3.6. The City shall render payment within 45 days after receipt, but in the event of any dispute as to any invoice, the City will pay the amount that is not in dispute and will undertake discussions and negotiations with Consultant to resolve any discrepancy or dispute in any invoice and will, upon resolution of any discrepancy or dispute, pay the agreed-upon amount as soon as reasonably possible. Consultant waives, to the extent allowed by law, the provisions of the Local Government Prompt Payment Act.

4. Access and audits; public records

- 4.1. Consultant shall maintain adequate records to justify all charges and costs incurred in performing the Services for at least three years after the completion of any Services. All invoices submitted are subject to audit and demand for refund of over payment up to three years following completion of all Services related to this Agreement. The City will have access to the books, record, and documents for the purpose of inspection or audit during normal business hours at Consultant's place of business.
- 4.2. If any examination or audit by the City or its agents determines misrepresentations of billable time or reimbursable expenses, then those misrepresentations will result in the recovery on any resulting overpayments. The Consultant will reimburse the City for all reasonable cost of recovery, including accounting and legal fees, court costs, and administrative expenses within thirty (30) days from receipt of City's written notice.
- 4.3. Intentional misrepresentations of billable hours and of reimbursable expenses will be referred for criminal prosecution. The City will cooperate with the prosecution of any criminal referral under this section.
- 4.4. Consultant acknowledges that certain records generated under this Agreement may be subject to disclosure under the Illinois Freedom of Information Act ("FOIA")(5 ILCS 140/). Consultant agrees to cooperate with the City with and take all steps necessary concerning the timely disclosure of records in Consultant's possession that may be disclosable under Section 7(2) of FOIA (5 ILCS 140/7(2)). Consultant will provide documents to comply with FOIA requests at no charge to the City beyond what the City recovers from the requester.

5. Standard of care

- 5.1. Consultant shall exercise the same degree of care, skill, and diligence in the performance of the Services as is provided by a professional of like experience, knowledge, and resources under similar circumstances.
- 5.2. Consultant shall, at no additional cost to the City, reperform services that fail to satisfy the standard of care set forth under §5.1 or otherwise fail to meet the requirements of this Agreement.

6. Subcontracting

- 6.1. The parties acknowledge that this is a professional-services Agreement and that Consultant was selected based upon its qualifications, reviewed through the request-for-qualifications process. Consultant may not subcontract any Services under this Agreement without the prior consent of the City.
- 6.2. The City reserves the right to accept the use of a subcontractor or to reject the selection of a particular subcontractor and to inspect all facilities of any subcontractor.
- 6.3. If a subcontractor fails to perform or make progress as required by this Agreement, and it is necessary to replace the subcontractor to complete the Services in a timely fashion, Consultant shall promptly do so, subject to acceptance of the new subcontractor by the City. Failure of a subcontractor to timely or properly perform its obligations will not relieve Consultant of its obligations hereunder.

7. **Authority to practice.** Consultant represents that it shall employ only persons duly licensed or registered in the appropriate category in responsible charge of all elements of the Services for which Illinois Statutes require license or registration, and further shall employ only well qualified persons in responsible charge of any elements of the Services, all subject to City approval.

8. **Compliance with laws.** In the performance of the Services, Consultant shall comply with applicable regulatory requirements, including federal, State of Illinois, special district, and local laws, rules, regulations, orders, codes, criteria, and standards in effect at the time services are rendered. Consultant must pay all required taxes and obtain all licenses, certificates, or other authorization required in connection with the performance of its obligation hereunder, and Consultant must require all subcontractors to also do so. Failure to do so may result in termination of this Agreement with Consultant. By entering into an Agreement with the City, Consultant represents that to the best of its knowledge, its employees and any subcontractor used in the performance of this Agreement meet City requirements and have not violated any City ordinance, code, state, federal, or local rules or regulations, and have not been subject to any debarment, suspension, or other disciplinary action by any government agency. Additionally, if at any time Consultant becomes aware of such information, it must immediately disclose it to the City.

9. **Confidentiality.** Consultant shall hold confidential the business and technical information obtained or generated in performance of the services under this Agreement and all information identified in writing by the City as confidential.

10. Documents.

- 10.1. All documents generated by the Consultant as the result of this Agreement, whether produced on paper or electronically and whether stored in paper form, electronically or by any other method, will become the property of the City upon completion or termination of the Services and upon final payment to the Consultant. Consultant is liable to the City for the cost of replacement for loss or damage of any documents belonging to the City while in the

10.2. Work products shall be properly sealed by a licensed professional as required by law.

10.3. All project documents shall be produced by the Consultant and delivered to the City electronically in a format compatible and acceptable with the City. All files received are required to function in the chosen software environment without need for post-processing or any adjustments. Any supporting resource files or libraries shall be noted and provided with the submission.

10.4. Consultant will not be liable for any damages, injury, or costs associated with the City's use, modification or distribution of these documents for any purpose other than the purpose anticipated under this agreement under which the document was generated. City shall indemnify and hold harmless the Consultant as to any modifications made by the City to the documents produced by the Consultant following delivery of the documents to the City.

11. Copyright. Consultant waives any action against the City to enforce Consultant's Copyright on documents produced and delivered to the City pursuant to this agreement.

13.1. During the term of this Agreement, Consultant shall, at all times and at its own cost, maintain insurance in the type and minimum amounts as follows:

13.1.1. General liability: Limits of at least \$1,000,000 per occurrence, and not less than \$2,000,000 aggregate limit. General liability insurance must include all of the following:

13.1.1.1. Products and completed operations coverage

13.1.1.2. Contractor's Protective coverage

13.1.1.3. Personal Injury Liability coverage.

13.1.2. Professional liability: \$1,000,000.00 for design errors and omissions per claim, \$2,000,000 aggregate limit. Consultant shall provide continuing Professional Liability Insurance to cover each project for a period of two years after the project is completed. Insurance requirements may vary depending on projects as determined by the City Engineer. The City may require Consultant to provide a higher level of coverage for a specific project and time frame.

13.1.3. Workers' compensation: Workers' compensation insurance as required by the laws and regulations of the State of Illinois.

- 13.1.4. Automotive insurance. Combined single limits of at least \$1,000,000 per occurrence, and not less than \$2,000,000 general aggregate limit. Auto liability must include hired and non-owned autos.
- 13.1.5. Umbrella Liability with limits of not less than \$1,000,000.00, to be in excess of all other coverages. Such coverage must be at least as broad as the primary coverages above, with any excess umbrella layers written on a strict following form basis over the primary coverage. This Section 13.1.5 does not pertain to Professional Liability insurance or Workers' compensation insurance.
- 13.2. All policies, except policies for professional liability, must be written on an occurrence basis. All policies must be written with insurance carriers who are qualified to do business in the State of Illinois and who are rated A-VII or better in the latest Best's Key Rating Guide. All policies must be written on the most current Insurance Service Office (ISO) or National Council on Compensation Insurance (NCCI) form or a manuscript form if coverage is broader than the ISO or NCCI form.
- 13.3. The City of Peoria and its officers and employees must be named as an additional insured party on the general liability policy, automobile liability policy, and umbrella policy. The City's interest as an additional insured party must be on a primary and non-contributory basis on all policies and be noted as such on the insurance certificates.
- 13.4. Upon demand, the Consultant or Service Provider must provide the City with a copy of each insurance policy maintained under §13.1. In addition, the Consultant or Service Provider must provide the City with certificates of insurance showing evidence that the insurance policies required under §13.1 are in full force and effect and endorsing notification to the City at least 30 days' notice prior to any cancellation or non-renewal. Any renewal certificate of insurance must be automatically provided to the City at least 30 days prior to the policy expiration. If a self-insured retention or a deductible is maintained on any of the policies, then the amount of the retention or deductible is subject to approval by the City. The Service Provider represents that there is no conflict in coverage as disclosed between any certificate of insurance submitted to the City and the insurance policy.
- 13.5. The Consultant waives the right to limit its liability to the City to the amount of the workers compensation benefits paid to an injured employee of the Consultant under the Illinois Worker's Compensation Act, and shall include in the General Liability or the Workers' Compensation insurance an Illinois Amendatory endorsement limiting policy exclusions, with language similar to the following:

This exclusion also does not apply to your liability to a third party by reason of a claim or suit against you by that third party for contribution under the Illinois Joint Tortfeasor Contribution Act for damages claimed against such third party as a result of injury to your employee if such liability is otherwise covered under this Part Two of the policy, and you have that liability because you have waived, in a written contract, your right to limit such liability to the amount of the workers compensation benefits paid for that

injured employee under the Illinois Workers Compensation Act. This exception only applies to bodily injury by accident that occurs after that contract was made and to bodily injury by disease caused or aggravated by conditions to which the injured employee's last day of exposure occurs after that contract was made.

- 13.6. Nothing in this §13 will be construed as a limitation of liability for Consultant or any other Service Provider.

14. Indemnification

- 14.1. Indemnification for Professional Liability Claims: For liability arising out of professional services, the Consultant shall indemnify but shall have no duty to defend the City and the City's officers, elected officials, appointees and employees against liability for damages for which they may be liable to the extent such damages are actually caused by the negligent acts, errors or omissions of Consultant, or any of its employees or subconsultants negligent acts or omissions under this Agreement.
- 14.2. Indemnification for All Other Claims: The Consultant shall hold harmless, defend, and indemnify, for damages arising out of bodily injury, death and property damage, the City, and the City's officers elected officials, appointees and employees against claims, demands, actions and suits (including reasonable post-tender attorney's fees and costs) brought against any of them arising from the Consultant's work or any of its subconsultant's work under this Agreement other than professional services.

15. Termination

- 15.1. Consultant may terminate this Agreement upon 30 days prior written notice to the City in the event of substantial failure by the City to perform in accordance with the term of this Agreement through no fault of Consultant.
- 15.2. The City may terminate this Agreement with or without cause immediately upon written notice to Consultant.
- 15.3. Unless Consultant is in material breach of this Agreement, the City will pay Consultant for services rendered to the City's satisfaction through the date of termination.
- 15.4. Upon receipt of a termination notice, and except as otherwise directed by the City, Consultant shall:
- 15.4.1. Stop work on the date and to the extent specified.
 - 15.4.2. Terminate and settle all orders and subcontracts related to the performance of the terminated Services.
 - 15.4.3. Transfer all Services in process, competed Services, and other material related to the terminated Services to the City, to include, but not limited to, investigations, preliminary designs, reports, studies, surveys, drawings, estimates and data.

15.4.4. Continue and complete all parts of the Services that have not been terminated.

15.5. Consultant is responsible for all costs incurred by the City to enforce any provision of this Agreement or to remedy any material breach by Consultant of this Agreement, including all reasonable court costs and reasonable attorneys' fees.

16. Binding Agreement. The City and the Consultant each binds itself, its partners, successors, executors, administrators, and assignees to each other party hereto in respect to all the covenants and Agreements herein and, except as above, neither the City nor the Consultant shall assign, sublet or transfer any part of his interest in this Agreement without the written consent of the other party hereto.

17. Waivers

17.1. The parties may waive any provision in this Agreement only by a writing executed by the party against whom the waiver is sought to be enforced.

17.2. No failure or delay in exercising any right or remedy or in requiring the satisfaction of any condition under this Agreement, operates as a waiver of any right, remedy, or condition.

17.3. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver, once given, is not to be construed as a waiver on any future occasion or against any other person.

18. Time for performance. Time is of the essence in this Agreement. If any date specified in this Agreement as a date for taking action falls on a day that is not a Business Day, then that action may be taken on the next Business Day. Consultant will begin work upon receipt of a fully executed copy of the agreement. City and Consultant are aware that many factors outside Consultant's control may affect its ability to complete the services to be provided under the Agreement. Consultant will perform these services with reasonable diligence and expediency consistent with sound professional practices.

19. Force majeure

19.1. Neither the City nor Consultant will be considered to be in default of this Agreement if delays in or failure of performance is due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the nonperforming party could not avoid. "Uncontrollable Forces" means any event that results in the prevention or delay of performance by a party of its obligations under this Agreement and that is beyond the reasonable control of the nonperforming party. It includes flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions. It does not include labor disturbances or material shortages.

19.2. Neither party will, however, be excused from performance if nonperformance is due to forces that are preventable, removable, or remediable and that the nonperforming party could

have, with the exercise of reasonable diligence, prevented, removed or remedied with reasonable dispatch.

- 19.3. The nonperforming party will, within a reasonable time of being prevented or delayed from performance by an Uncontrollable Force, give written notice to the other party describing the circumstances and Uncontrollable Forces preventing continued performance of the obligations of this Agreement.

20. Choice of law; jurisdiction

- 20.1. This Agreement will be governed by and construed in accordance with the laws of the State of Illinois.
- 20.2. Any litigation filed by Consultant or the City against the other party and involving this Agreement must be filed in the Circuit Court of Peoria County, Illinois.

21. Status as independent contractor

- 21.1. Consultant undertakes performance of the Services as an independent contractor and will be wholly responsible for the methods of performance.
- 21.2. The City will have no right to supervise the methods used, but the City has the right to observe that performance.
- 21.3. Consultant shall not pledge the City's credit or make it a guarantor of payment or surety for any contract, debt, obligation, judgment, lien or any form of indebtedness. Consultant has no authority to speak for or bind the City in any manner.

22. Conflict of Interest. The Consultant represents that, to the best of its knowledge, (1) no City employee or agent is interested in the business of the Consultant or this Agreement; (2) as of the date of this Agreement neither the Consultant nor any person employed or associated with the Consultant has any interest that would conflict in any manner or degree with the performance of the obligations under this Agreement; and (3) neither the Consultant nor any person employed by or associated with the Consultant shall at any time during the term of this Agreement obtain or acquire any interest that would conflict in any manner or degree with the performance of the obligations under this Agreement.

23. Equal Employment Opportunity. Consultant shall comply with all applicable equal employment opportunity statutes, regulations, and ordinances including but not limited to the City's ordinances prohibiting discrimination in employment (Sec. 17-116, et seq.) and rules and regulations of the City's Fair Employment Commission (Sec. 17-26, et seq.); the Illinois Human Rights Act (775 ILCS 5/101 et seq.), the Illinois Department of Human Rights (IDHR) Rules and Regulations for Government Contracts (44 Ill. 12117); the Equal Pay Act of 1963, as amended; and the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (38 USC §§ 4301-4335).

Pursuant to IDHR's Rules and Regulations and the City's ordinances, the Consultant shall comply with the following terms and conditions during the performance of this Agreement:

- (a) Consultant will not discriminate against any employee, including apprentices, or applicant for employment, including training programs, because of race, color religion, sex, sexual orientation, gender identity, marital status, order of protection status, status as a survivor of domestic violence or human trafficking, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status, or unfavorable discharge from military service; and, further, that Consultant will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any underutilization.
- (b) If Consultant hires additional employees in order to perform this Agreement or any portion of this Agreement, Consultant will determine the availability (in accordance with Section 750) of minorities and women in the areas from which Consultant may reasonably recruit and will make a reasonable effort to hire for each job classification for which employees are hired in a way that minorities and women are not underutilized.
- (c) In all solicitations and advertisements for employees placed by Consultant on its behalf, Consultant will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, sexual orientation, gender identity, marital status, order of protection status, status as a survivor of domestic violence or human trafficking, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status, or an unfavorable discharge from military service.

If any labor organization or representative fails or refuses to cooperate with the Consultant in its efforts to comply with the Act and Part 750, Consultant will promptly notify the Illinois Department of Human Rights and the City and will recruit employees from other sources when necessary to fulfill its obligations under the Agreement.
- (e) Consultant will submit reports as required by Part 750, furnish all relevant information that may be requested by the Illinois Department of Human Rights or the City, and in all respects comply with the Act, the Department's Rules and Regulations, and the City's ordinances.
- (f) Consultant will permit access to all relevant books, records, accounts, and work sites by personnel of the City and the Illinois Department of Human Rights for purposes of investigation to ascertain compliance with the Act, IDHR's Rules and Regulations, and City ordinances.
- (g) Consultant will include verbatim or by reference the Equal Employment Opportunity Clause (44 Ill. Admin. Code, Chapter X, Appendix A) in every agreement under which any portion of the Agreement obligations are undertaken or assumed, so that the provisions will be binding upon the subcontractor. In the same manner as with other provisions of

this Agreement, Consultant will be liable for compliance with applicable provisions of this clause by subcontractors. Further, Consultant will promptly notify the City and the Illinois Department of Human Rights if any subcontractor fails or refuses to comply with the provisions of sections (a) through (f) of this paragraph. Consultant shall not utilize any subcontractor declared by the Illinois Human Rights Commission to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

24. Non-solicitation. The Consultant represents that it has not employed or retained any company or person other than bona fide employee working solely for the Consultant to solicit or secure the Consultant, and that it has not paid or agreed to pay any company or person other than a bona fide employee working solely for the Consultant any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of the Agreement. For breach or violation of its representation, the City shall have the right to annul the Agreement without liability or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee. The Consultant represents that it has no public or private interest and shall not acquire directly or indirectly any such interest which would conflict in any manner with the performance of their Services under the Agreement.

25. Employee/employment restrictions. The Consultant agrees, as a condition of accepting this Agreement with the City, that, for a period of one (1) year following completion of this Agreement, it shall be prohibited from hiring, directly or indirectly, any City employee or official who was involved, directly or indirectly in: (1) the selection and/or recommendation to select the Consultant for performance of this Agreement; (2) coordinating the efforts of the Consultant in the consummation or completion of this Agreement; or (3) monitoring or determining the performance of the Consultant. (Sec. 2-342.) The Consultant further acknowledges and agrees that, upon the City's determination that a violation of this provision has occurred, the penalty imposed, at the sole discretion of the City, may include one or more of the following: (1) cancellation of any other Agreement(s) between the City and the Consultant; (2) disqualification of the Consultant from bidding or being awarded future Agreements with the City for a period of two (2) years; and/or (3) payment of liquidated damages to the City in the amount of TWENTY FIVE THOUSANDS DOLLARS (\$25,000.00). This section shall not apply to any City Employee involved in the 2020-2021 reduction in force, furlough or early retirement incentive offered by the city within 2020-2021.

26. Third parties. Nothing in this Agreement is intended to confer any right or remedy on any person other than the City and Consultant, nor is anything in this Agreement intended to affect or discharge any obligation or liability of any third persons to the City or to Consultant, nor to give any such third person any right of action or subrogation against the City or Consultant.

27. No personal liability. No Representative of the City is personally liable to Consultant for any obligation under the terms of this Agreement. No Consultant's individual employees, officers or directors shall be personally liable to City for any obligation under the terms of this Agreement.

28. Amendments. This Agreement may be amended only by a written agreement of the City and Consultant that identifies itself as an amendment to this Agreement.

29. Notices. All notices, demands, requests, consents, approvals or other instruments required or permitted by this Agreement must be in writing and must be executed by the party or an officer, agent or attorney of the party, and shall be deemed to have been effective as of the date of actual delivery, if delivered personally, by overnight courier, or by electronic mail, or as of the third day from and including the date of posting, if mailed by registered or certified mail, return receipt requested, with postage prepaid, addressed as set forth in the introductory clause or as otherwise instructed by a party in writing.

30.1. From time to time, Consultant shall designate an authorized representative who is responsible for communicating with the City on behalf of Consultant and who, unless applicable laws require action by the board of directors, members, or manager of Consultant, has the authority to make or grant requests, demands, approvals, consents, agreements, and other action required or described in this Agreement for and on behalf of Consultant.

30.2. The City Manager shall, from time to time, designate an authorized representative who is responsible for communicating with Consultant on behalf of the City. The City Manager, or his or her designee, has the authority to make or grant requests, demands, approvals, consents, agreements, and other action required or described in this Agreement for and on behalf of the City. Any amendment must be approved by the City Council.

31. Drafting conventions

31.1. The words "include," "includes," and "including" are to be read as if they were followed by the phrase "without limitation."

31.2. The headings in this Agreement are provided for convenience only and do not affect its meaning.

31.3. Any reference to an agreement means that agreement as amended or supplemented, subject to any restrictions on amendment contained in that agreement.

31.4. Unless specified otherwise, any reference to a statute, ordinance, or regulation means that statute, ordinance, or regulation as amended or supplemented from time to time and any corresponding provisions of successor statutes, ordinances, or regulations.

31.5. All references to a time of day are references to the time in Peoria, Illinois.

31.6. The words “party” and “parties” refer only to a party to this Agreement named in the introductory clause.

31.7. Each party has participated in negotiating and drafting this Agreement, so if any ambiguity or a question of intent or interpretation arises, this Agreement is to be construed as if the parties had drafted it jointly, as opposed to being constructed against a party because it was responsible for drafting one or more provisions of this Agreement.

32. Severability. If any provision of this Agreement is determined to be invalid, illegal, or unenforceable, then the remaining provisions remain in full force and effect if the essential terms and conditions of this Agreement for each party remain valid, binding, and enforceable.

33. Surviving provisions. Any term of this Agreement that, by its nature, extends after the end of the agreement, whether by expiration or termination, remains in effect until fulfilled. All duties to indemnify under this agreement survive the expiration or termination of this agreement and remain effective until the resolution or expiration of any actual or potential claims or losses subject to the duty to indemnify.

34. Final agreement. This Agreement constitutes the final agreement between the parties. It is the complete and exclusive expression of the parties’ agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement. The provisions of this Agreement may not be explained, supplemented, or qualified through evidence of prior trade usage or a prior course of dealing. In entering into this Agreement, neither party has relied upon any statement, representation, warranty, or agreement of the other party except for those expressly contained in this Agreement. There are no conditions precedent to the effectiveness of this Agreement other than those expressly stated in this Agreement.

35. Counterparts. This Agreement may be executed in two or more counterparts, each of which together will be deemed an original, but all of which, together, constitute the same instrument. If any signature is delivered by facsimile or by email of a “.pdf” format data file, then that signature creates a valid and binding obligation of that party with the same force and effect as if the facsimile or “.pdf” signature page were an original.
