

Linking Your Stormwater Account to your Stormwater Billing Website Account for Online Payments

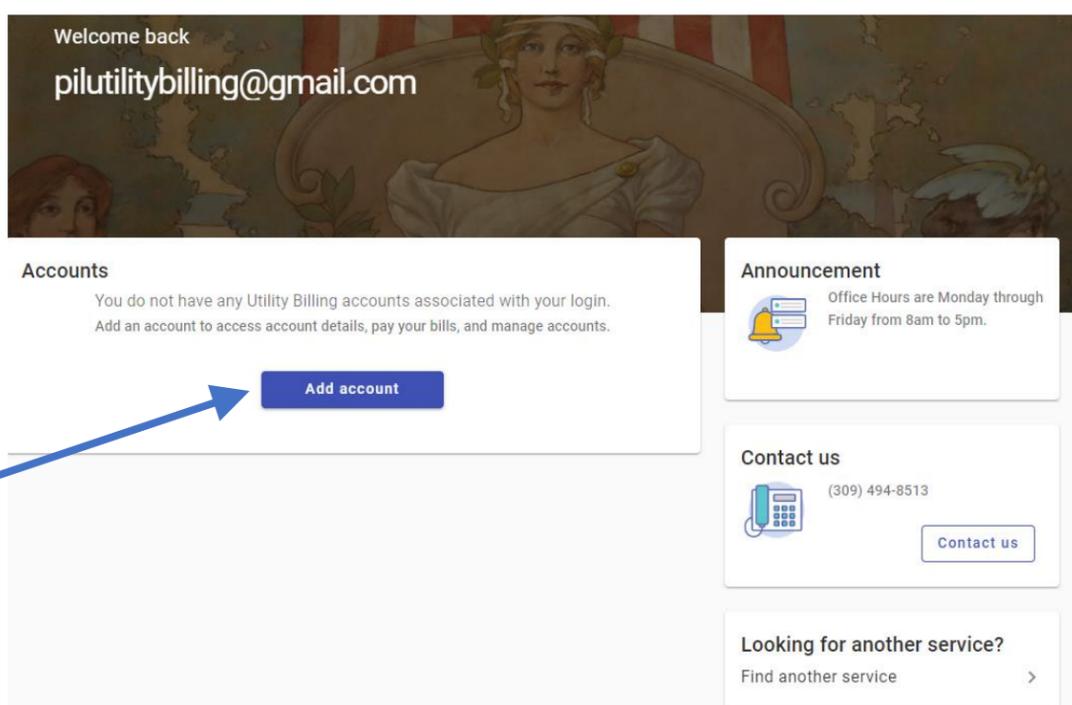

STEP A:

Once you have logged into the Stormwater Utility Billing website, to link a Stormwater account you'll need to click on the Utility Billing link. See arrow in image below.

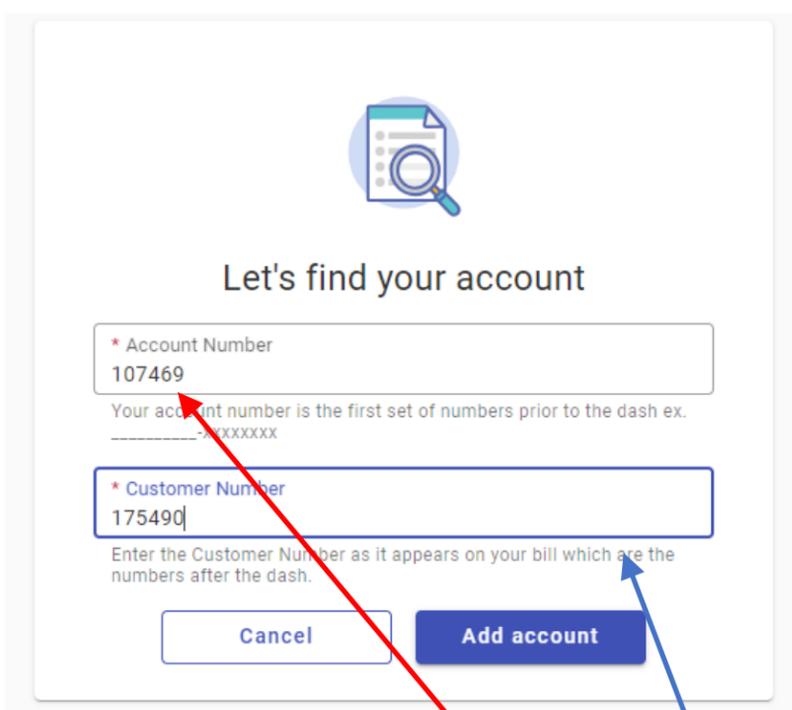

STEP B:

After clicking utility billing, you will be brought to the screen shown on the right. To add your Stormwater Utility Account to your online account, click the "Add account"

STEP C:

On the next screen you'll need to add your account number and your customer number. For these you'll need a copy of your bill.

The **Account Number** (Red Arrow and Red Box on bill below) is the six digits before the " - "

The **Customer Number** (Blue Arrow and Blue Box on bill below) is the six digits after the " - "

After you have verified the correct digits in the correct boxes, click Add account. The system will process the request and load a new page with the account successfully added.
