Hamilton Boulevard Sidewalk Removal Work Has Started

Drivers and pedestrians should continue to use caution as OWTW Project work continues

July 10, 2024 (Peoria, IL) Sidewalk removal has started along Hamilton Boulevard between 202 Hamilton Boulevard and 200 NE Adams Street. Due to this work, the northbound drive lane of Hamilton Boulevard between NE Washington Street and NE Adams Street is closed.

Sidewalk work continues at the intersections of Harrison Street and Liberty Street along Adams Street. Sidewalks remain closed near 332, 300, and 200 SW Adams Street. Pedestrians should continue to use caution near these closures and cross the street at the next available intersection.

Lane and parking restrictions remain in effect along SW Adams Street. On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park at those spots.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.
