Sidewalk Removal Work has Started at the Intersection of Hamilton and Adams

Drivers and pedestrians should continue to use caution as OWTW Project work continues

July 24, 2024 (Peoria, IL) Sidewalk removal work has begun at the intersection of Hamilton Boulevard and NE Adams Street. The sidewalks near 201 NE Adams Street are closed to pedestrian access.

Sidewalk work continues along Hamilton Boulevard between 202 Hamilton Boulevard and 200 NE Adams Street. Work also continues at the intersections of Harrison Street and Liberty Street along Adams Street. Sidewalks remain closed near 332 and 200 SW Adams Street. Pedestrians should continue to use caution near these closures and cross the street at the next available intersection.

As a reminder, the design of the ADA sidewalk ramps at the completed intersections has changed. Pedestrians should be mindful of the new design at the finished intersections.

Lane and parking restrictions remain in effect along SW Adams Street. On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park at those spots. Parking at bagged parking meters will result in a ticket and vehicle removal at the owner’s expense.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.
