**Sidewalk Work at Hamilton and Adams Intersection Nearing Completion**

*Drivers and pedestrians should continue to use caution as OWTW Project work continues*

Aug. 14, 2024 (Peoria, IL) Sidewalk work at the intersection of Hamilton Boulevard and NE Adams Street is nearing completion. The sidewalks near 201 NE Adams Street will reopen to pedestrian access soon.

Sidewalk work continues at the intersections of Fulton Plaza and SW Adams Street. The sidewalks near 123 and 201 SW Adams Street have limited pedestrian access. Sidewalk work also continues at the intersection of Main Street and NE Adams Street. Sidewalks near 100 NE Adams Street remain closed to pedestrian access.

Sidewalk removal work will begin at the intersection of Hamilton Boulevard and NE Adams Street, near the Peoria County Courthouse, in the coming weeks.

Pedestrians should continue to use caution near these closures and cross the street at the next available intersection. As a reminder, the design of the ADA sidewalk ramps at the completed intersections has changed. Pedestrians should be mindful of the new design at the finished intersections.

Lane and parking restrictions remain in effect along SW Adams Street. On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park at those spots. Parking at bagged parking meters will result in a ticket and vehicle removal at the owner’s expense.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.
