PRELIMINARY ENGINEERING SERVICES FOR COMBINED SEWER OVERFLOW (CSO) STORAGE TANKS COMBINED SEWER OVERFLOW (CSO) IN-SYSTEM STORAGE

PEORIA, ILLINOIS

STATEMENTS DUE: THURSDAY OCTOBER 17, 2024, AT 2:00 PM

The City of Peoria invites qualified professional engineering firms to submit their Statements of Interest and Qualifications for preliminary engineering services for combined sewer overflow (CSO) storage tanks and combined sewer overflow in-system storage.

The City of Peoria's Engineering Division will accept sealed proposals submitted to the Office of the City Engineer, Public Works Building, 3505 N Dries Lane, Peoria, Illinois, 61604, until **2:00 pm Thursday, October 17, 2024**, for establishing a contract with qualified firms.

The Request for Proposal document can be downloaded at the City of Peoria's Website <https://www.peoriagov.org/390/Bidding-Letting>. Interested firms should submit **Three (3) hard copies and one (1) electronic copy (USB or Similar)** of a Statement of Interest and Qualifications. If the firm is interested in both projects, there should be a separate submittal for each one. E-mail submittals will not be accepted.

All firms contracting with the City of Peoria must have current certification through the City's Equal Opportunity Office. Compliance with the Illinois Prevailing Wage Act is required under this contract. The City of Peoria reserves the right to reject any or all proposals, to waive technicalities and informalities in accordance with the Statute.

CITY OF PEORIA
