Sidewalk Work Progressing Along Adams Street at Multiple Intersections

Drivers and pedestrians should continue to use caution as OWTW Project work continues

Oct. 9, 2024 (Peoria, IL) Sidewalk removal work on the northeast side of the intersection of Liberty Street and SW Adams Street, near 300 Liberty Street, has begun.

Sidewalk work continues on the north side of the intersection of Harrison Street and SW Adams Street, near 400 SW Adams Street, and on the northwest side of the intersection of Liberty Street and SW Adams Street, near 300 SW Adams Street. Work also continues at the intersection of Hamilton Boulevard and NE Adams Street, near the Peoria County Courthouse.

Sidewalk removal work on the northeast side of the intersection of N William Kumpf Boulevard and SW Adams Street, near 500 SW Adams Street, will begin soon.

As a reminder, Liberty Street is closed to all traffic between SW Adams Street and SW Jefferson Avenue. The closure is expected to last six weeks, weather permitting. Jefferson Avenue and Adams Street traffic should utilize Harrison Street as a detour route.

Lane and parking restrictions remain in effect along SW Adams Street. On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park at those spots. Parking at bagged parking meters will result in a ticket and vehicle removal at the owner’s expense.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.
