OWTW Sidewalk Work Advancing Along Adams Street

Drivers and pedestrians should continue to use caution as OWTW Project work continues

Nov. 20, 2024 (Peoria, IL) Sidewalk work continues at the northwest corner of the Main Street and SW Adams Street intersection, near 100 SW Adams Street. Work also continues at the northeast corner of the Harrison Street and SW Adams Street intersection, near 335 SW Adams Street.

The sidewalk work at the northeast corner of the Liberty Street and SW Adams Street intersection, near 300 Liberty Street, is nearing completion.

Lane and parking restrictions remain in effect along SW Adams Street. On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park at those spots. Parking at bagged parking meters will result in a ticket and vehicle removal at the owner’s expense.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.
