**Applications Open for Art on Display in Suite 207 of City Hall**

In 2021, the Public Arts Advisory Commission received a request from Mayor Ali to assist in accepting artwork to be displayed by Peoria-based artists. After months of work, the Commission passed a policy in December 2021 to provide for the exhibit of artwork to be on display for one year in City Hall. January 2022 was the inaugural exhibit and featured six local artists displaying two-dimensional artwork. The work of nine artists is currently on display and will be up through January 2025.

Applications are now open for next year’s exhibit. Qualified applicants must reside in or have a studio in Peoria. The artwork must be two-dimensional, framed, and have a hanging system. For a complete list of requirements and to view current and past exhibiting artists, please visit [peoriagov.org/ArtworkOnDisplay](http://peoriagov.org/ArtworkOnDisplay). Applications will close at 5:00 pm on Friday, January 17, 2025.

Interested applicants will need to include:

- A completed application – located on the [city of Peoria website](http://city of Peoria website).
- Include an artist statement, biography, and high-resolution photographs (jpg preferred)

A complete list of current and past artists can be found on the [website](#).

### **Peoria Fire Department Promotes Fire Safety with “Keep the Wreath Red” Campaign**

Peoria Fire Department Division Chief Nate Rice recently presented the annual campaign for “Keep the Wreath Red” to promote fire safety over the holidays. With the increase of fires in the month of December due to electrical use in decoration, the PFD is replacing one red bulb in the wreath with a white bulb every time there is a fire in Peoria that results in monetary loss. As of Dec. 12, there have been eight fires resulting in significant monetary loss this month.

### **Peoria Public Works – Jefferson/Adams Conversion Update**

Sidewalk work at the northwest corner of the Main Street and SW Adams Street intersection, near 100 SW Adams Street, and at the northeast corner of the Harrison Street and SW Adams Street intersection, near 335 SW Adams Street, is nearing completion. Work is expected to be completed in the coming weeks.

The Adams Street and Jefferson Avenue OWTW Conversion Project is wrapping up work for 2024. Lane and parking restrictions currently remain in effect along SW Adams Street. These restrictions will be removed as work ends for the year.

The OWTW Conversion Project is a 2 ½ year project. The project's first year focused on upgrading the intersection corners along Adams Street to enhance pedestrian safety. The project's second year will focus on upgrading the intersection corners along Jefferson Avenue to enhance pedestrian safety. The conversion of one-way traffic to two-way traffic will occur in 2026.

### **Peoria Public Schools – Holidays a Time to Appreciate True Wonders**

In the spirit of the holiday season, let's take a moment to appreciate the true wonders of our world. Amidst the hustle and bustle of our daily lives, we often forget to cherish the simple joys that surround us. The love of our families, the support of our colleagues, and the opportunity to make a difference in the lives of others; these are the gifts that truly matter.

As a Superintendent, I am blessed with the opportunity to serve a district filled with incredible students, dedicated staff, supportive parents, and a Board of Education that keeps me grounded and focused on what truly makes a difference for our future. This holiday season, let's celebrate the real Seven Wonders from the story below. Reach out and touch the hand of a loved one you haven't seen in a while, taste the traditional flavors of the season, see the joy in the eyes of the little ones experiencing their first holiday, hear the laughter that fills the room, feel the warmth of love that surrounds us, laugh heartily at the simple pleasures of being together, and love unconditionally.

Let's slow down and appreciate these moments, for they are the true wonders of our world. We don't need to travel far and wide to experience them, they are right here in our homes, in our hearts.

With heartfelt gratitude for your love and support, I wish you a holiday season filled with love, laughter, and the real Seven Wonders.

### ***The Seven Wonders***

A class of students were asked to list what they considered to be the Seven Wonders of the World. Though there was some disagreement, Egypt's Great Pyramids; The Taj Mahal; The Grand Canyon; The Panama Canal; The Empire State Building; St. Peter's Basilica; and China's Great Wall received the most votes from the students.

While gathering the votes, the teacher noticed that one student, a quiet girl, hadn't turned in her paper yet. So she asked the girl if she was having trouble with her list. The quiet girl replied, "Yes, a little. I couldn't quite make up my mind because there are so many." "Well, tell us what you have and maybe we can help." She hesitated a little, and said, "I think the Seven Wonders of the World are 1. to Touch; 2. to Taste; 3. to See; 4. to Hear; 5. to Feel; 6. to Laugh; and 7. to Love."

The teacher was startled, and the room was so quiet that you could hear a pin drop. The quiet girl had challenged them to think a little differently and reminded us that the things we overlook as simple and ordinary are often the MOST wonderful, and we DON'T have to travel far and wide just to experience them. Slow down...to touch; to taste; to see; to hear; to feel; to laugh and to love.

Enjoy your gifts!

With gratitude,

Dr. Sharon Desmoulin-Kherat, Ed.D

# WEEKLY DEVELOPMENT ACTIVITY REPORT

## CITY OF PEORIA – COMMUNITY DEVELOPMENT DEPARTMENT

**Date: 12/05/2024 - 12/11/2024**

This summary document is produced on a weekly basis. It is used as an agenda for the City Development Review Board and as a transparency tool to allow the public to be aware of development in Peoria.

### 1. Summary Information

- **One Stop Shop** is held every Monday at 1:30 PM virtually. We also offer an in-person option the first Monday of each month at Distillery Labs at 201 SW Adams St. This is a free service for anyone who wants to discuss development with staff from various city departments, local utility companies, the Peoria County Health Department, and CityLink.
- **Development Center Permits** can typically be issued immediately and/or do not require an extensive review period. These permits include most trade (electrical, plumbing, HVAC, etc.) permits, repair permits, new single-family residential construction, alteration/additions, and demolitions.
- Each permit application includes a self-reported value of the project. The **Total Value of Development (YTD)** is the sum of these reported values.

|                                   | This Week   | YTD            |
|-----------------------------------|-------------|----------------|
| One Stop Shop Customers           | 0           | 73             |

| Total Value of Development        | \$1,240,707 | \$ 159,742,489 |

### 2. Development Review Board Projects

- Items listed below with the prefixes HPC, PZC or ZBA in the first column are considered **Plans**. **Plans** are development applications that require multiple departments to review for compliance and include a public hearing before a City Commission; in some cases, **Plans** may also require a final decision by the City Council.
- All other items listed below are **Building Permits**. **Building Permits** are development applications that require multiple departments to review for compliance but do not require a public hearing or City Council review.
- The **Staff Assigned** to each item is the primary contact person for any inquires.
