Glen Avenue to reopen to traffic on Friday

Construction on Glen Avenue between Knoxville Avenue and N Sheridan Road will stop during the winter months

December 8, 2022 (Peoria, IL) Due to colder temperatures and the increased risk of inclement weather, construction on W Glen Avenue between Knoxville Avenue and N Sheridan Road will stop during the winter months. **W Glen Avenue will reopen to traffic by midmorning on Friday, December 9.**

Motorists are urged to be mindful while traveling on Glen Avenue during the winter reopening, as traffic patterns have changed during reconstruction.

The remaining reconstruction work will resume in the spring of 2023. A startup date to finish the project will be determined and announced at a later date.

The Glen Avenue reconstruction project is a joint County and City project. The project is vital in improving Peoria's infrastructure. The public's patience while this project is completed is appreciated.
