Department of Public Works to limit access into facility during construction project

Limited access into Public Works will begin at 1 pm on Friday, October 21

October 19, 2022 (Peoria, IL) Beginning at 1 pm on Friday, October 21, and lasting until mid-morning on Tuesday, October 25 there will be limited access to the Department of Public Works building, weather permitting. The limited access is due to storm sewer repairs on the main entrance road.

To maintain a safe construction site, the Department of Public Works is requesting no public entry. The front lobby will be closed to the general public. However, if entry into the facility is necessary, please contact Public Works at 309-494-8800 to set up an in-person appointment.
