N Orange Prairie lane reductions and intersection closures extended

Daytime lane reductions and intersection closures for pavement patching will continue through Friday

September 22, 2022 (Peoria, IL) Daytime lane closures on N Orange Prairie Road between W Stonebridge Court and W War Memorial Drive will be extended through the end of the day Friday, September 23. **These lane closures will occur from 6:30 am to 6:30 pm.**

Flaggers will be present to direct traffic. **Motorists should continue to expect extended delays and are advised to seek alternative routes while the work is being completed.**

As a result of the continued work, the intersections of W Fieldstone Drive and N Orange Prairie Road, and W Flagstone Drive and N Orange Prairie Road will remain closed until the morning of Monday, September 26. These intersections will not reopen overnight.

Neighborhood traffic should use North Stalworth Drive to exit the subdivisions. Drivers should continue to watch for lane reductions, exercise an overabundance of caution, and be mindful of flaggers.
