Daytime lane closures to begin on N Prospect Road between N Belmont Place and Knoxville Avenue

Daytime lane closures for the N Prospect Road mill and overlay project will begin on Monday, August 15

August 11, 2022 (Peoria, IL) Beginning Monday, August 15, daytime lane closures will start on N Prospect Road between N Belmont Place and Knoxville Avenue. The lane closures are part of the N Prospect Road mill and overlay project and will first affect Northwest-bound traffic.

Flaggers will be present to direct traffic as sidewalk and curb repair begins. **Mill and overlay work will begin once concrete work is completed. The entire project is expected to last until Thanksgiving.**

Motorists should expect delays while work is being completed and are advised to seek alternative routes. Drivers should exercise an overabundance of caution in the area and be mindful of flaggers.
