**Daytime Lane Closures on Moss Avenue to Begin Monday, April 21**

*Moss Avenue will be closed to all traffic between Cooper Street and Western Avenue*

April 17, 2025 (Peoria, IL) Beginning at 7 am on Monday, April 21, daytime lane closures will go into effect on Moss Avenue from N Cooper Street to N Western Avenue. The closures are necessary as part of the Moss Avenue Reconstruction Project – Western Avenue to Sheridan Road, and are expected to last two weeks, weather permitting.

Currently, Moss Avenue is under a one-lane, one-way traffic configuration. **These closures will result in Moss Avenue from N Cooper Street to N Western Avenue being closed to all traffic during daytime hours.** Moss Avenue will be reopened at the end of each day.

Flaggers will be present to help direct traffic. Drivers should exercise caution in the area and be mindful of these closures and the flaggers. The use of alternative routes is advised.
