

LEGAL NOTICE

ADVERTISEMENT FOR BIDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received at the Office of the City Engineer, Public Works Facility, 3505 N. Dries Lane, Peoria, Illinois, until 2:00 PM on June 10, 2025, for the proposed project officially known as Stormwater Outfall Repairs, at which time said proposals will be publicly opened and read.

The proposed improvement consists of constructing storm sewer outfall improvements and erosion control components across twelve (12) distinct sites within the City of Peoria. Improvements typically consist of removing failed components, installing stormwater diversion and inlet structures, installing storm sewer and manholes, providing components to ensure outfall stability, and utilizing erosion control measures in areas of steep slope, concentrated flow, or disturbance.

Plans, proposal forms and specifications for the proposed project may be examined at the Office of the City Engineer, Public Works Facility, 3505 North Dries Lane, Peoria, IL. Before plans and specifications may be obtained, contractors must be pre-qualified. Complete sets of plans and proposal forms may be obtained electronically by emailing a request for plans to pwdropbox@peoriagov.org. All proposals must be accompanied by cash, certified check, cashier's check, or a bid bond for not less than five percent (5%) of the amount of the bid. The successful bidder will be required to furnish a satisfactory Performance Bond for the full amount of the contract, with sureties, to be approved by the City Stormwater Engineer. **Compliance with the Illinois Prevailing Wage Act is required under this contract.**

The City of Peoria reserves the right to waive technicalities and to reject any or all proposals.

CITY OF PEORIA

Andrea Klopfenstein, City Engineer
