

LEGAL NOTICE

ADVERTISEMENT FOR BIDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received at the Office of the City Engineer, Public Works Facility, 3505 N. Dries Lane, Peoria, Illinois, until 2:00 PM on June 10, 2025, for the proposed project officially known as 2025 Storm Sewer Repairs, at which time said proposals will be publicly opened and read.

The proposed improvement consists of removing 1,140 feet of storm sewer ranging in size from 10" diameter to 48" diameter and installing 289 feet of 12" diameter pipe culverts, 51 feet of 18" diameter pipe culverts, 164 feet of 12" diameter storm sewer, 227 feet of 15" diameter storm sewer, 30 feet of 24" diameter storm sewer, and 381 feet of 48" diameter storm sewer. Restoring site disturbance, pavement patching, protecting existing utilities, managing traffic, and all associated items are required to accomplish the work.

Plans, proposal forms and specifications for the proposed project may be examined at the Office of the City Engineer, Public Works Facility, 3505 North Dries Lane, Peoria, IL. Before plans and specifications may be obtained, contractors must be pre-qualified. Complete sets of plans and proposal forms may be obtained electronically by emailing a request for plans to pwdropbox@peoriagov.org. All proposals must be accompanied by cash, certified check, cashier's check, or a bid bond for not less than five percent (5%) of the amount of the bid. The successful bidder will be required to furnish a satisfactory Performance Bond for the full amount of the contract, with sureties, to be approved by the City Stormwater Engineer. **Compliance with the Illinois Prevailing Wage Act is required under this contract.**

The City of Peoria reserves the right to waive technicalities and to reject any or all proposals.

CITY OF PEORIA

Andrea Klopfenstein, City Engineer
