**OWTW: Sidewalk Work Completed at Two Intersections; Work Continues at Others**

*Pedestrians should be mindful of these sidewalk closures and use caution in the area*

July 2, 2025 (Peoria, IL) Two more intersection corners along Jefferson Avenue have been completed as part of the Adams Street and Jefferson Avenue One-Way to Two-Way Conversion Project.

The sidewalk work at Fulton Plaza between 120 SW Jefferson Avenue and 331 Fulton Street, and the work at the southeast corner of NE Jefferson Avenue and Fayette Street, near 200 NE Jefferson Avenue, have been completed.

Sidewalk work continues at the following intersections:

- The southwest corner of Main Street and SW Jefferson Avenue, near 333 Main Street.
- The southeast corner of NE Jefferson Avenue and Hamilton Boulevard, near 318 Hamilton Boulevard.

As a reminder, when sidewalks are closed, pedestrians should use caution in the area and cross the street at the next available intersection.

On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park in those spots.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.

Drivers should be mindful of workers in the area and watch for no-parking areas. Extra caution should be exercised in the area.
