\*By signing this form, I certify that I have read and understand the application and have also checked appropriate boxes. The information provided is true and correct. I understand that the Permit being issued based upon the information I have provided on the application; that the permit will not be valid if the application is found to be untrue or incorrect; and that enforcement action will ensue if the application or improvements are determined to be illegal. Community Development Department phone: (309) 494-8600.  
 \*\*Contractor agrees to perform the above work in accordance with the plans, specifications, and ordinances of the City of Peoria and to notify the Building Safety Department when ready for inspection. Violation of the above shall subject the person to fines and penalties.  
 \*\*\*This building permit shall be granted, based on the cost of construction including building work and the cost of electrical, plumbing and or heating work if needed. This is NOT a permit to do electrical, plumbing and or heating work, which requires separate permits for each. All concealed mechanical work and framing must be inspected and approved prior to the installation of insulation or covering. The Applicant shall call the assigned Building Inspector for each inspection at least 24 hours in advance. The Applicant hereby agrees to perform said work and construct said building as contemplated in the forgoing application and in accordance with the plans and specifications submitted and agrees to comply with the Peoria City Code in performance of same. No building shall be occupied or used until a Final Inspection and/or a Certificate of Occupancy has been issued by the Building Inspector.  
 \*\*\*\* Must follow IFC.
