OWTW: Jefferson Avenue Traffic Pattern Shift To Start Thursday, Aug. 21

Pedestrians should be mindful of these sidewalk closures and use caution in the area

Aug. 20, 2025 (Peoria, IL) Beginning tomorrow morning, Thursday, Aug. 21, traffic patterns on Jefferson Avenue from Spalding Avenue through the Fulton Street Intersection will change.

Southeast Jefferson Avenue traffic will shift from the two far right lanes into the two far left lanes. The shift is necessary as sidewalk work will begin to focus on the north side of Jefferson Avenue.

Work continues at the following intersection:

- The southeast corner of S.W. Jefferson Avenue and Liberty Street, near 244 S.W. Jefferson Avenue.

Sidewalk removal work will begin soon at the following locations:

- The northwest corner of Fayette Street and N.E. Jefferson Avenue, near 227 N.E. Jefferson Avenue.
- The northwest corner of Hamilton Boulevard and N.E. Jefferson Avenue, near 125 N.E. Jefferson Avenue.

As a reminder, when sidewalks are closed, pedestrians should use caution in the area and cross the street at the next available intersection.

On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park in those spots.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.

Drivers should be mindful of workers in the area and watch for no-parking areas. Extra caution should be exercised in the area.
