OWTW: Sidewalk Work Continues at Intersections Along Jefferson Avenue

Pedestrians should be mindful of these sidewalk closures and use caution in the area

Nov. 5, 2025 (Peoria, IL) Sidewalk work is progressing at various intersection corners along Jefferson Avenue as part of the Adams Street and Jefferson Avenue One-Way to Two-Way Conversion Project.

Work continues at the following intersections:

- The northwest corner of Fulton Street and S.W. Jefferson Avenue.
- The northeast corner of Fulton Street and S.W. Jefferson Avenue.
- The northeast corner of Hamilton Boulevard and N.E. Jefferson Avenue, near 200 N.E. Jefferson Avenue.

As a reminder, both the northbound and southbound lanes of Fulton Street are closed. Access to the Twin Towers Parking Deck and City Hall's parking lot is maintained. Drivers should access the Twin Towers Parking Deck and City Hall's parking lot from S.W. Monroe Street.

On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with "No Parking" signs, drivers should not park in those spots.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.

Drivers should be mindful of workers in the area and watch for no-parking areas. Extra caution should be exercised in the area.
