OWTW: Sidewalk Work Will Continue Along Jefferson Avenue As Weather Allows

Pedestrians should be mindful of these sidewalk closures and use caution in the area

Dec. 3, 2025 (Peoria, IL) Entering the month of December, sidewalk work will continue on a pair of intersection corners along Jefferson Avenue, as the weather allows. The work is part of the Adams Street and Jefferson Avenue One-Way to Two-Way Conversion Project.

Work will continue at the following intersections:

- The northeast corner of Hamilton Boulevard and N.E. Jefferson Avenue, near 200 N.E. Jefferson Avenue.
- The northeast corner of Main Street and N.E. Jefferson Avenue, near 100 N.E. Jefferson Avenue.

As a reminder, when sidewalks are closed, pedestrians should use caution in the area and cross the street at the next available intersection.

On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park in those spots.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.

Drivers should be mindful of workers in the area and watch for no-parking areas. Extra caution should be exercised in the area.
