City Hall Decked Out for Holiday Season

Thanks to Community Development and city staff, Peoria City Hall is decked out for the holiday season. They've recently taken time outside of work to decorate the historic building, spreading holiday cheer throughout all four floors.

Call for Artists: Suite 207 Exhibit at City Hall

The city of Peoria is accepting applications to display art in Suite 207 of City Hall, 419 Fulton Street. Since opening in January 2022, the exhibit in Suite 207 has featured the work of 35 local artists. This year-long program grew out of the Public Arts Advisory Commission's 2021 effort to create a formal process for displaying art created by local artists in City Hall.

The current exhibit features 15 artists and will remain on display through January 2026. Each participating artist receives a dedicated webpage with images of their work and an artist statement, along with a short video highlighting their practice. Artwork for the upcoming exhibit will be on display from March of 2026 through January of 2027.

Eligible applicants must live in or maintain a studio in Peoria. Artwork must be two-dimensional, framed, and ready to hang. A full list of requirements and the application, along with current and past artists, is available [on the city of Peoria website](#). The application deadline is 5:00 p.m. on Friday, January 16, 2026.

Applicants must submit:

- A completed application (available on the city's website)
- An artist statement, brief biography, and high-resolution images (jpg preferred)

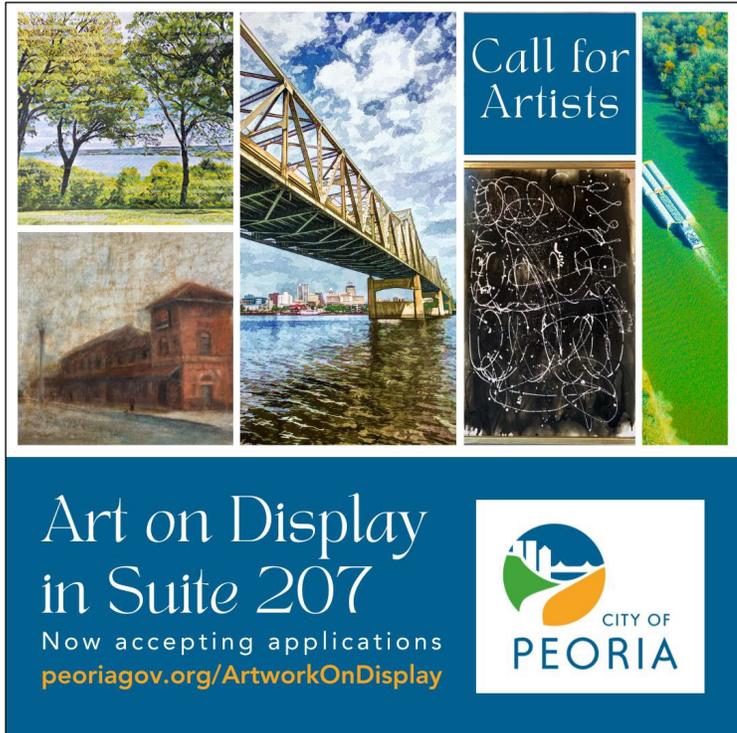

Questions may be directed to Stacy Peterson by email at or 309-494-8560.

Peoria Public Works – Jefferson/Adams Conversion Project Update

Sidewalk work is progressing at two intersection corners along Jefferson Avenue as part of the Adams Street and Jefferson Avenue One-Way to Two-Way Conversion Project. Work will continue throughout the winter as weather allows.

Work continues at the following intersections:

CITY OF
PEORIA

- The northeast corner of Hamilton Boulevard and N.E. Jefferson Avenue, near 200 N.E. Jefferson Avenue.
- The northeast corner of Main Street and N.E. Jefferson Avenue, near 100 N.E. Jefferson Avenue.

As a reminder, when sidewalks are closed, pedestrians should use caution in the area and cross the street at the next available intersection.

On-street parking restrictions are marked. Drivers should look for unbagged, available parking meters for on-street parking. **If parking meters are bagged with “No Parking” signs, drivers should not park in those spots.**

Additional parking, lane, and sidewalk restrictions will be forthcoming as the Adams Street and Jefferson Avenue One-Way to Two-Way (OWTW) Conversion Project progresses.

Drivers should be mindful of workers in the area and watch for no-parking areas. Extra caution should be exercised in the area.

Peoria Public Schools Students to Represent District at Global Amazing Shake

We are excited to share a wonderful update about the inaugural Amazing Shake—a dynamic three-day event designed to empower and inspire our students. As of Wednesday, December 10, two outstanding students, 4th grader Mallorie Alwan and 6th grader Deangela Washington, will be representing our district at the Global Amazing Shake in Atlanta! Additionally, one more student from the upcoming 7th and 8th grade competition on Thursday will join them!

This week, 142 enthusiastic students from 13 schools advanced to the Regional Amazing Shake at Woodruff Career and Technical Center. Such a large-scale event would not have been possible without the dedication of 160 local volunteers who served as judges—your commitment to our students is a shining example of community partnership in action!

The competition is so much more than just a handshake; it’s a celebration of the values at the heart of the “House” system: Isibindi, Reveur, Altruismo, and Amistad. Throughout the competition, our community judges gained valuable insight into how our house system fosters core values, creates a sense of family across the district, and has led to improved attendance and a reduction in discipline challenges.

During the event, students have not only practiced confident handshakes, strong eye contact, and effective communication, but have also participated in engaging, real-world challenges. From reading a prompt under bright lights in front of a camera to strutting their best runway walks, these experiences build poise, presence, and professionalism in fun and memorable ways.

<u>Day 1 Results – Tuesday, Dec. 9, 2025, 3rd & 4th grades:</u>
1st place – Northmoor – Mallorie A. – 4th grade – Altruismo
2nd place – Northmoor – Braylee J. – 3rd grade – Amistad
3rd place - CT Vivian – Amaranth G. – 3rd grade – Reveur
<u>Day 2 Results – Wednesday, Dec. 10, 2025, 5th & 6th grades:</u>
1st place – Deangela W. – 6th grade – Mark Bills – Amistad
2nd place – Armani G. – 5th grade – Rolling Acres – Isibindi
3rd place – Tyland J. – 5th grade – Reservoir Gifted Academy – Altruismo

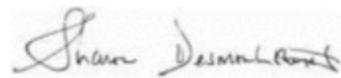

Issues Update
Dec. 11, 2025

Our 3rd-through-8th grade students are gaining skills here that will serve them throughout their academic journeys and beyond, preparing them for future careers and leadership opportunities. Their effort, enthusiasm, and growth are truly inspiring.

We extend our deepest gratitude to our volunteers, staff, and community partners for your ongoing support. Together, we are preparing our students not just for school, but for life.

With gratitude,

Dr. Sharon Desmoulin-Kherat, Ed.D.

WEEKLY DEVELOPMENT ACTIVITY REPORT

CITY OF PEORIA – COMMUNITY DEVELOPMENT DEPARTMENT

Date: 12/04/2025 – 12/10/2025

This summary document is produced on a weekly basis. It is used as an agenda for the City Development Review Board and as a transparency tool to allow the public to be aware of development in Peoria.

1. Summary Information

- **One Stop Shop** is held every Monday at 1:30 PM virtually. We also offer an in-person option the first Monday of each month at Distillery Labs at 201 SW Adams St. This is a free service for anyone who wants to discuss development with staff from various city departments, local utility companies, the Peoria County Health Department, and CityLink.
- **Development Center Permits** can typically be issued immediately and/or do not require an extensive review period. These permits include most trade (electrical, plumbing, HVAC, etc.) permits, repair permits, new single-family residential construction, alteration/additions, and demolitions.
- Each permit application includes a self-reported value of the project. The **Total Value of Development (YTD)** is the sum of these reported values.

	This Week	YTD
One Stop Shop Customers	1	70
Development Center Permits Issued	74	2,724
Total Value of Development	\$16,789,253	\$251,299,537

2. Development Review Board Projects

- The **Development Review Board** is a group of City staff, local utility representatives, and other local government agencies that review and comment on more complex development applications and cases that are required to go to a public hearing.
- Items listed below with the prefixes HPC, PZC or ZBA in the first column are considered **Plans**. **Plans** are development applications that require multiple departments to review for compliance and include a public hearing before a City Commission; in some cases, **Plans** may also require a final decision by the City Council.
- All other items listed below are **Building Permits**. **Building Permits** are development applications that require multiple departments to review for compliance but do not require a public hearing or City Council review.
- The **Staff Assigned** to each item is the primary contact person for any inquiries.
