**Monroe Street parking restrictions will go into effect on Monday, Aug. 14**

*No parking will be allowed on Monroe for pavement marking work*

August 11, 2023 (Peoria, IL) Beginning at 7 am on Monday, August 14, there will be **no on-street parking** on SW Monroe Street from Fulton Street to Main Street for pavement marking work.

**These parking restrictions will be in effect until 5 pm on Monday, August 14. On-street parking will be available after 5 pm.**

The pavement marking work is part of the project to restore reverse diagonal downtown parking spaces to forward, pull-in diagonal parking. Additional parking and lane restrictions will be forthcoming as the project progresses.

Temporary paint will be in place for approximately two weeks before final permanent striping can be placed.

Drivers should be mindful of workers in the area and watch for “No Parking” signs. Extra caution should be exercised in the area.
